Recommended Books in Spanish for Children and Young Adults Isabel Schon,2004 Whether used for the development and support of an existing collection or for the creation of a new collection serving Spanish speaking young readers this outstanding resource is an essential tool Following the same format as the highly praised 1996 1999 edition Schon presents critical annotations for 1300 books published between 2000 and 2004 including reference nonfiction and fiction One section is devoted to publishers series and an appendix lists dealers who carry books in Spanish Includes author title and subject indexes      El Superpack Capitán Calzoncillos: Las aventuras del Capitán Calzoncillos + Superjuegos, pasatiempos y chascarrillos del Capitán Calzoncillo + Capa Dav Pilkey,2009-06-01 Jorge Berto y El Capit n Calzoncillos llegan por duplicado en un divertido superpack A qu peligros y amenazas tendr n que enfrentarse nuestros amigos Dos libros para estimular la imaginaci n y fomentar la creatividad Incluye una fant stica capa con superpoderes      The Early Reader in Children's Literature and Culture Jennifer Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize

research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

When we last saw George and Harold they were about to take their pet pterodactyl Crackers back to the Cretaceous period But things didn t work out quite as they had hoped They ve entered an absurd alternate reality where teachers are nice kids are allowed to read banned books and the cafeteria food doesn t smell like dirty diapers Even worse they ve discovered alternate versions of themselves Evil George and Evil Harold who plan to unleash some preposterous plans on Piqua Ohio Now it s up to George and Harold to defeat the evil twins and THEIR superhero Captain Blunderpants Se han vuelto Jorge y Berto completamente locos Su Inodoro Morado los ha llevado a un lugar extranísimo donde los maestros son amables la comida de la cafetería es deliciosa y el director el Sr Carrasquilla piensa que ellos son realmente graciosos Algo está muy pero muy mal y se pone peor cuando los mellizos malvados que se parecen a Jorge y Berto secuestran a su pterodactilo mascota Galletas y a Chuli el hamster bionico Ahora Jorge y Berto deben enfrentar a los enemigos más listos que hayan tenido jamás ellos mismos Será este un nuevo reto para el increíble Capitan Calzoncillos
