**More to Life** Britt Sevitt, 2020-12-16 Do you believe that there is more to this world than can be perceived and experienced with your five senses Well Britt didn't She liked facts reality science and things she could explain Although somewhere deep down she did always have a gut feeling that there was more to life than the daily routine of wake work eat sleep repeat One day after almost two decades of clinical depression and anxiety Britt was suddenly bowled over by an unexpected spiritual awakening and her attitude towards life changed overnight Years of debilitating depression melted away It was as if the cover had been removed from her eyes and she was suddenly able to see that there is so much more to life and this world than we can possibly perceive It was not easy for Britt a complete cynic and skeptic to go from thinking it was all a bunch of nonsense to embracing her spiritual woo side This book traces Britt's life through her depression her awakening and her on going journey as she tries to reconcile her new found wisdom and spirituality with her utter skepticism for anything alternative or non scientific not to mention with her long held traditional Jewish beliefs [The Science of Stress Management](#) Amitava Dasgupta, 2018-04-12 Stress is an inevitable part of everyday life Sometimes we manage it well Other times not so much But understanding the role of stress in our overall health and wellness is essential to taking it head on It's not just that stress can take over our thoughts it can take over our bodies From the flight or fight response to inflammation from feeling anxious to feeling sick it can deteriorate our bodies and our minds from the inside out While many books promise tips on managing stress this book takes it one step further to consider the science behind stress and how it affects our minds and bodies offering evidence based approaches to managing stress for optimum results Amitava Dasgupta guides readers to a greater understanding of the mechanisms at work when stress is present and provides guidance for dealing with those physical and mental responses While grounded in the science of stress this work also helps readers employ those strategies that will best manage stress for better overall health [The Sleep Bible](#) Aiden J. Winks, 2026-01-28 Chronic sleep problems affect millions of people yet lasting solutions remain elusive for many Endless advice quick fixes and contradictory recommendations often leave sufferers frustrated and exhausted The Sleep Bible Lasting Solutions for Chronic Sleep Problems offers a clear structured and evidence based path toward understanding sleep and restoring healthy sustainable rest This comprehensive guide explores sleep not as an isolated nighttime function but as a complex interaction of biology psychology behavior and environment Readers gain a solid foundation in how sleep works why it breaks down and how chronic sleep disturbances develop over time From insomnia and disrupted sleep cycles to stress related and medically influenced sleep disorders the book provides clarity where confusion is common Rather than relying on short term remedies this book focuses on long term improvement It examines both non pharmacological and medication based approaches explains their benefits and limitations and emphasizes strategies that support lasting change Topics include sleep hygiene cognitive behavioral therapy for insomnia stress regulation lifestyle factors and the careful role of sleep medications Written

for readers seeking practical guidance grounded in science The Sleep Bible empowers individuals to make informed decisions about their sleep health It does not promise instant results but it delivers something far more valuable understanding structure and realistic strategies for reclaiming restorative sleep Restful sleep is not a luxury It is a foundation of physical health mental clarity and emotional balance This book provides the knowledge and tools needed to rebuild that foundation one night at a time
