Fault Lines in Indian Democracy G. Rama Chandra Reddy, 2007 Sonia Rasheed Kidwai, 2011-05-06 Sonia Gandhi's transformation from an unsure Congress party president to the unchallenged political chief of the ruling United Progressive Alliance government happened with some speed in the aftermath of the Congress led coalition's surprise victory in the 2004 general election Her renunciation of the prime minister's post enhanced her moral stature in the public eye but it is her skilled handling of the equation with the prime minister Manmohan Singh that indicates the emergence of a self-confident politician secure in her position at the helm of national affairs In this fully revised and updated biography Rasheed Kidwai tracks the evolution of the new Sonia Gandhi against the backdrop of the Congress party's return to power after years in the Opposition The last five years have witnessed the Congress president's growing assurance in her dealings with party stalwarts with coalition partners and Opposition leaders Drawing on his long experience as a political journalist Kidwai chronicles how Rahul Gandhi's smooth passage into the front rank of the party's leadership was achieved and gives a vivid account of how Sonia Gandhi navigated such critical moments as the office of profit crisis the presidential election the Indo-US nuclear deal and the vote of confidence In *Sonia A Biography* Rasheed Kidwai tells the extraordinary story of one of India's most enigmatic women whose journey from the small Italian town of Orbassano to 10 Janpath New Delhi is one of the most fascinating in contemporary India **Constitutional Crisis and Problems in India** Suchinta Bhattacharya, 2003 The present book is an inquiry and also research finding into the contemporary constitutional crisis in India This will make one aware not only of the weakness of the present model of parliamentary system responsible for electoral corruption defection and constitutional bargaining but also of the way that the presidential model will effectively plug the shortcomings and defects inherent in our system of governance In short the book is a study of the Indian Constitution in the proper historical perspective a study punctuated by a highly provocative and yet refreshing analysis The author very earnestly pleads for the widening of our mental horizon and to think more in terms of national interest rather than petty party politics **Contours of Hindu Rashtra** Ram Puniyani, 2006 The book is a collection of essays and articles written over a period of 5 years The essays numbering 40 in number have been divided into nine main sections Section I discusses essays on religion and society Section II contains articles on Hindutva Section III has essays on Hindutva and minorities Section IV selected articles on Hindutva threat protection Islam and terrorism have been given Section V has essays on communalism and violence Section VI has articles on political chess board Section VII has essays on Hindutva and Dalits Section VIII discusses women and Hindu right and lastly Section IX contains articles on faith and reason *Instant History* Anil Maheshwari, 2021-07-18 A very enjoyable and educative book indeed Bibek Debroy Chairman Economic Advisory Council to the Prime Minister An unusual book Professor S Irfan Habib Former Maulana Azad Chair National University of Educational Planning and Administration

New Delhi The book is simply unputdownable Rasheed Kidwai Visiting Fellow ORF Congress leader Arjun Singh was aware of the imminent appointment of Dr Manmohan Singh as the prime minister What did he do to sway the decision in his favour Did Prime Minister Chandra Shekhar help the religious leader Chandraswami escape the dragnet of the Enforcement Directorate What prompted the editor of Hindustan Times to publish an article titled National Shame on the front page of the newspaper How did a typo in a copy received by All India Radio lead to an inquiry by the Pakistani authorities regarding a mole in their midst Instant History is a brilliant insight into our recent history A treasure trove for all those who believe that journalists write the first draft of history this is an honest perspective on various issues in the context of many geographical complexities political realities and social dichotomies Narrated through short pieces and snippets it unveils several incidents and exposes ground realities that afflict politics bureaucracy and even journalism Moreover serving a slice of history it documents changes India has witnessed across the last quarter of the preceding century providing insights into the history of public administration Anecdotal humorous and often caustic Instant History is a fabulous work on Indian journalism and politics recounted by a senior journalist with an insider view of affairs **My Life In Indian Politics** Mohsina Kidwai, Rasheed Kidwai, 2022-10-18 Mohsina Kidwai has been in public life as a member of the Indian National Congress for over six decades A cabinet minister in several successive central governments and a senior office holder in the Congress she has had a ringside view of Indian politics for almost the entire span of independent India's existence She has witnessed and been a participant in the tenures of prime ministers from Jawaharlal Nehru to Indira Gandhi and Rajiv Gandhi and was a member of parliament until 2016 one of only twenty Muslim women to have been elected to the Lok Sabha since 1951 In this candid account of her life Kidwai assesses not just her own contribution to public life but also provides an honest appraisal of the turn in fortunes of the political party she has remained a loyal member of The reader is treated to rare glimpses into the homes lives and the hurly burly of election campaigns over the decades One such memorable one was the Azamgarh bypoll in 1978 which Kidwai won as Uttar Pradesh Congress chief and which signalled a revival of the Congress's fortune after its spectacular defeat in the post Emergency general elections of 1977 Written with the honesty and simplicity that have been her trademark in public life this then is not just the memoir of a politician it is an assessment of an entire era in Indian politics The Saffron Wave Thomas Blom Hansen, 1999-04-12 The text goes on to argue that the Hindu nationalist movement has successfully articulated the anxieties and desires of the large and amorphous Indian middle class Consequently the movement has attracted privileged groups fearing encroachment on their dominant positions but also plebeian and impoverished groups seeking recognition around a majoritarian rhetoric of cultural pride order and national strength **The Sangh Parivar** Christophe Jaffrelot, 2005 This book is a collection of essays on the Sangh Parivar including the RSS the BJP and the Bajrang Dal that trace the rise of the right wing in Indian politics **Current Pathological Problems of India** V.
