CLORINDA. MATTO DE TURNER

Aves Sin Nido:

Aves Sin Nido C. Matto de Turner, *Aves sin nido* Clorinda Matto de Turner, 2010-08-31 *Aves sin nido* es la obra más destacada de Clorinda Matto reconocida como la novela precursora del indigenismo movimiento literario básicamente del Perú. *Aves sin nido* es una denuncia con una visión filantrópica sentimental y compasiva de las precarias condiciones de los indígenas. En la primera parte de la novela el maltrato a la población indígena, la incompetencia de las autoridades y la corrupción de los curas marcan el hilo narrativo de la historia. Y en la segunda parte de *Aves sin nido* la fuerza de lo novelesco con tintes melodramáticos y folletinescos se impone pero sin abandonar la reivindicación social y la queja que subyacen en toda la novela. Si la historia es el espejo donde las generaciones por venir han de contemplar la imagen de las generaciones que fueron, la novela tiene que ser la fotografía que estereotipe los vicios y las virtudes de un pueblo con la consiguiente moraleja correctiva para aquellos y el homenaje de admiración para estas. This book draws on the most recent research in describing the origins and development of narrative in Spanish America during the nineteenth and twentieth centuries, tracing the pattern from Romanticism and Realism through Modernismo, Naturalism and Regionalism to the Boom and beyond. It shows how, while seldom moving completely away from satire, social criticism and protest, Spanish American fiction has evolved through successive phases in which both the conceptions of the writer's task and presumptions about narrative and reality have undergone radical alterations. DONALD SHAW holds the Brown Forman Chair of Spanish American literature in the University of Virginia. Hart, 2007 The evolution of Latin American literature. *A Companion to Latin American Literature* offers a lively and informative introduction to the most significant literary works produced in Latin America from the fifteenth century until the present day. It shows how the press and its product, the printed word, functioned as the common denominator binding together in different ways over time the complex and variable relationship between the writer, the reader, and the state. The meandering story of the evolution of Latin
