Awaiting Creation:

The Role Of The Holy Spirit In Worship H. Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit at least with their head and creed. But few experience him in their daily walk or have a biblical understanding of who he is, why he came, and what his role is in the Christian life. The Holy Spirit is a living presence, a person, and as such must be experienced, not neglected, within the church and the individual believer. The crucial role of the Spirit in Paul's life, thinking, and theology was always that of the personal presence of God. As a Christian, a believing follower of Christ, the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God. Let The Party Begin! Dr. Femi Olorunnisola, 2023-02-09 The parable of the prodigal son is a story about reclaiming lost dominion. The younger son broke the hearts of everyone that loved him. He ditched them and pitched with newfound friends where he wasted all his resources and inheritance on wild parties. Later a famine swept over the far country and all he had inherited were all gone. He was left all alone. He was brokenhearted, lonely, depressed, abandoned, rejected, unforgiving, and unforgiven. His only means of survival was to serve pigs, an abomination to his people. He not only lived with pigs but also ate the food given to pigs, a double-fold abomination. He lived in abject poverty, humiliation, and hunger. However, one day when he finally came to his senses, he remembered his purpose. He remembered where he belonged. He knew he had lost his place of dominion. And he longed for the fulfillment of that purpose. He then took some steps that I have outlined as the eight principles for a new beginning to reclaim your lost dominion. The party began when he reclaimed his lost dominion. Jesus told this story so that we can also discover these principles. Applying these principles to your life would encourage and empower you to rise and recover your lost or dormant dominion. This book is for everyone who longs to have dominion in this world. As you apply these principles to your life, a new beginning will surely begin for you, and the world will celebrate your dominion. Get ready to celebrate your new beginning. There is a party about your life that the world is waiting for. The world is longing to celebrate your dominion. Do not keep the people waiting any longer. Let the party begin. *The Search for Shalom* Will Dickerson, 2025-09-01 Many analysts have noted that this is an age of high anxiety. Nowadays, most bookstores have shelves of books documenting people's anxious condition and offering a variety of self-help cures. *The Search for Shalom* is not a self-help book. Rather, it argues that self-guided efforts to treat this anxious condition will only make it worse. The search for peace must lead elsewhere. Many people have been scammed by Satan, the prince of scammers. As a result, they don't give much attention to the one who actually offers them shalom, true peace. Instead, they continue to be controlled by their fears and anxieties. People spend their lives serving various idols, the most popular of which is Mammon. They nurture their grudges, refuse to forgive, and live in the rubble of broken relationships. Some of those who consider themselves Christians instead of serving as ministers of reconciliation enlist as soldiers in the culture wars and end up fighting the wrong battles with the wrong weapons. Many people therefore live in a state of war. No

one should be surprised therefore at the sharp rise in the use of antidepressants and anti-anxiety medications So where can people find peace

A Tale of Three Cities D. K. Matthews, 2024-08-20 A central question for Judeo-Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine's and Oliver O'Donovan's answer to the question birthed *The City of God* and *The Desire of Nations* Miguez Bonino's and Grace Ji Sun Kim's Marxist-influenced liberationist answers produced *Toward a Christian Political Ethics* and the post-truth Intersectional Theology Former socialist Michael Novak's plea was to revive *The True Spirit of Democratic Capitalism* Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of This Present Darkness amidst *The Return of the Gods* Peretti and Cahn's wildly popular future visions built upon Hal Lindsey's dated assurance and false prediction that true believers would be raptured in the last decade of The Terminal Generation 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism
