**Henry Thomas Buckle**

## Away To It All:

**GOD HAS SOLVED AWAY ALL YOUR TRANSGRESSIONS** Rev. Paul C. Jong, 101-01-01 CONTENTS 1 What Is the True Gospel Leviticus 1 1 9 2 Live with Your Heart United with God Leviticus 1 1 9 3 Make at All Times a Fragrant Grain Offering to the Lord Leviticus 2 1 16 4 The Righteous Should Fulfill All Their Priestly Duties Leviticus 3 1 17 5 Restoring Our Relationship with God Leviticus 4 1 12 6 The Death Jesus Suffered on the Cross Leviticus 4 13 21 7 The Everlasting Remission of Sins Leviticus 4 27 31 8 This Is the Remission of Sins the Lord Has Fulfilled for Us Leviticus 4 27 35 9 Sermon on the Trespass Offering Leviticus 5 14 19 10 How to Ruminare on the Word of God in Our Lives Leviticus 11 1 12 11 Human Beings Are Fundamentally a Brood of Sin Leviticus 13 1 15 12 How Is Our True Reflection Leviticus 13 1 23 13 The Lord Has Saved Those Who Are Inadequate Leviticus 13 18 28 14 The Sacrifice of the Day of Atonement in the Old Testament Leviticus 16 6 22 15 Devote Your Life to Saving Lives Leviticus 17 10 16 16 Keep My Statutes and Perform Them Leviticus 20 8 The Book of Leviticus explains the sacrificial system through which the people of Israel received the remission of their sins when they sinned against God or man Addressing the problem of sin for every human being God is pointing out in detail how we can all obtain the remission of our sins by giving a specific sacrificial offering according to the requirements of the God established sacrificial system From both the Old and New Testaments you can now find the Truth that has solved away the problem of your sins There is therefore only one thing remaining for you to do now and it is receiving the remission of all your sins by believing in the justice of God and the merciful and righteous love He has fulfilled for you The New Life Mission <https://www.bjnewlife.org> **The Sea Can Wash Away All Evils** Kimberley Christine Patton, 2007 Kimberley Patton examines the environmental crises facing the world's oceans from the perspective of religious history Much as the ancient Greeks believed and Euripides wrote that the sea can wash away all evils a wide range of cultures have sacralized the sea trusting in its power to wash away what is dangerous dirty and morally contaminating The sea makes life on land possible by keeping it pure Patton sets out to learn whether the treatment of the world's oceans by industrialized nations arises from the same faith in their infinite and regenerative qualities Indeed the sea's natural characteristics such as its vast size and depth chronic motion and chaos seeming biotic inexhaustibility and unique composition of powerful purifiers salt and water support a view of the sea as a no place capable of swallowing limitless amounts of waste And despite evidence to the contrary the idea that the oceans could be harmed by wasteful and reckless practices has been slow to take hold Patton believes that environmental scientists and ecological advocates ignore this relationship at great cost She bases her argument on three influential stories Euripides tragedy Iphigenia in Tauris an Inuit myth about the wild and angry sea spirit Sedna who lives on the ocean floor with hair dirtied by human transgression and a disturbing medieval Hindu tale of a lethal underwater mare She also studies narratives in which the sea spits back its contents sins corpses evidence of guilt long sequestered suggesting that there are limits to the ocean's vast salty heart In these stories the sea is either an agent of destruction or a giver of life

yet it is also treated as a passive receptacle Combining a history of this ambivalence toward the world's oceans with a serious scientific analysis of modern marine pollution Patton writes a compelling cross disciplinary study that couldn't be more urgent or timely
