

Chapter One

Answer each question in a complete sentence.

1. Darry praises Ponyboy for his school smarts, but chastises him for his lack of street smarts. Use evidence from the text to support this claim.

2. What's the difference between "tough" and "tuff"?

3. Ponyboy compares violence in New York with that of his own town. How do the two differ?

4. Ponyboy mentions that his brother Sodapop gets "drunk on just plain living." What does Ponyboy mean, and why is this strange for a Greaser?

5. What is Two-Bit famous for?

6. Ponyboy compares the character of Pip from *Great Expectations* to his group of friends. Using evidence from the text, how is this character similar? Is there any literary character that you identify with? How?

The story is written using first person narration through Ponyboy's point of view. How does this affect the tone of the story? Take a passage from the first chapter and re-write it using a different point of view, such as that of a Soc or of an unknown third person. How would the tone change?
