crafted observations and conclusions given added drama by richly detailed illustrations this book captures the energy and dynamic nature of these racing seasons and shows that Juan Fangio was indeed the ultimate master of the art and science of racing a Grand Prix automobile the W 196 R the instrument with which he honed his skills This book captures the decisive moments when victory hanging in the balance tilted in Fangio s favor due to his iron discipline and steady hand on the wheel The W 196 R s racing days may be long gone but the car remains a shining star of Mercedes Benz participation in motor sport heritage events worldwide It is this timeless appeal of the W 196 R that gives Two Summers its vitality charm and enduring attraction
