**Michael Rajnik**

## **Autumn Rhythm Musings On Time Tide Aging Dying And Such Biz:**

*Autumn Rhythm* Richard Meltzer, 2004-09-22 A sublime and moving collection of essays by an eloquent master writer Autumn Rhythm is equal parts candor courage humor and desperation A true tongued almost joyous gallows humor permeates the book a meditation on what it s like to be on the outer edge of boomerhood on the cusp of official seniority what it s like to have been so long associated with a youth movement rock music yet to no longer be young Autumn Rhythm comes from a man whose work has always been music as much as it s been about it and who now brings his syncopation of word sound and sense to the subject of life itself as lived and lost a frank brilliant and ultimately poetic contemplation of physical decline the deaths of friends and family and the confounding ever accelerating changes in our culture A rant in Meltzer s finest and funniest manner an epic vernacular monologue with stylistic roots in nineteenth century humorists Bill Nye Artemus Ward and Mark Twain
