Saw God in Gower relives her journey with cancer and reveals the ways she saw God during this time She saw him in many forms Some days she saw God in her friends other days she saw God in complete strangers He showed up in her family and he showed up in the strangest of places Through this compilation of reflections Gower demonstrates how God knows what s best for each of us during our unique journey If you allow him he will show up I Saw God in offers personal testimony to guide you through the ways you can allow God into your life during your challenges Slaying the Cancer Giant with the Word of God Rev. Dr. Diana Fields,2012-09-19 I am a six year breast cancer survivor I am very happy about this fact because

I was given an opportunity to write about that experience This is a chronological and personal testimony of my fight against this devastating disease This book strives to encourage and invite readers whether in perfect health or stricken by illness to trust God in all situations My journey with breast cancer was a test of my faith in God Through my own struggle I remind readers that life is going to be filled with difficult and sometimes life changing situations when our faith is tested At these crucial times it is our test to decide how we will respond Find out how I responded and then get ready to be introduced or re introduced to someone who cares about every situation you will encounter *Peace for Each Hour* Mary J. Nelson,2018-07-20

For cancer survivors who successfully complete treatment living with the fear of recurrence and facing an uncertain future are the greatest emotional challenges *Peace for Each Hour* offers hope and encouragement to the nearly 15 million cancer survivors in the United States today It will gently draw the readers hope away from the next check up or test result and point them to the God who never changes so they can know their identity in Christ and be empowered and free to live out their destiny *Boundless Blessings and God's Grace* Cynthia J. Eggl,2012-12-11

People Cynthia encountered on her breast cancer journey profoundly changed her perspective on life They were varied ages and came from different circumstances but the common thread they had was the fear when hearing the word cancer Often she was a reluctant participant during her walk knowing she had no choice if she intended to win her battle She encouraged others with her smile positive attitude words and actions Cynthia understands that within each of us is a fighting spirit and hopefully a recognition that we are not in total control of our lives God is and he will determine our passage from this world Until then we need to accept the difficulties that we encounter in our lives with dignity grace determination and knowing that God is constantly by our side With the incredible support and prayers of an army of compassionate people and Gods grace and blessings Cynthia is a breast cancer survivor today *My Journey With Breast Cancer and God's Miracles That Sustained Me* Cathy Sutor Riley,2007-12-05 Cathy Sutor Riley decided to write this book during her treatments for bi lateral breast cancer It seemed to help to put her experiences on paper and she was hoping that her story would inspire and strengthen anyone that was going through any type of trial not just breast cancer It is obvious throughout this book that God was ever present during her journey and carried her when she couldn t carry herself The faith that Cathy was taught during her childhood from the two Christian parents she was blessed with is what made all the difference in her life She knows that without those teachings and lessons in faith she may have given up from the very first day of her diagnosis Cathy had always said she didn t see how any woman could go through breast cancer because she would have to give up her hair and breasts the two main things that make a woman feel feminine It is obvious now that the way a woman gets through this is from the strength given to her by God Only God can carry any of us through the trials we will face in this life and there will always be trials as long as we live on this earth It is this authors hope that this book will give you strength hope faith and the knowledge that your God is always with you and He is waiting for you to seek Him and depend on Him for everything He is as

close as our next breath and He is our very best friend Always draw near to God and He will carry you through all things of this world May God bless you as you read and meditate on this book **Pink Ribbon Adventure** Marcia DeVries,2016-10-27 What would you do if you woke up one day and felt a large lump in your breast This is the true story of a woman who discovered a lump in her breast and then encountered an amazing spiritual adventure in the wilderness of cancer She and her family saw God perform powerful miracles of guidance provision protection blessings and spiritual lessons in real up close and practical ways This book shows the powerful works of God and how He cared for them as He personally walked with them through the dark valley of cancer
