Awakening Church:

Evangelizing America Thomas P. Rausch, 2004 *Evangelizing America* probes the interdependence of culture and faith surveys different approaches to evangelization among contemporary Catholics and looks at what evangelization means in a parish context BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Epworth Era**, 1917 **Missions Striking Home** Joseph Ernest McAfee, 1908 **Disorderly Women** Susan Juster, 2018-09-05 Throughout most of the eighteenth century and particularly during the religious revivals of the Great Awakening evangelical women in colonial New England participated vigorously in major church decisions from electing pastors to disciplining backsliding members After the Revolutionary War however women were excluded from political life not only in their churches but in the new republic as well Reconstructing the history of this change Susan Juster shows how a common view of masculinity and femininity shaped both radical religion and revolutionary politics in America Juster compares contemporary accounts of Baptist women and men who voice their conversion experiences theological opinions and preoccupation with personal conflicts and pastoral controversies At times the ardent revivalist message of spiritual individualism appeared to sanction sexual anarchy According to one contemporary revival attempted to make all things common wives as well as goods The place of women at the center of evangelical life in the mid eighteenth century Juster finds reflected the extent to which evangelical religion itself was perceived as feminine emotional sensational and ultimately marginal In the 1760s the Baptist order began to refashion its mission and what had once been a community of saints often indifferent to conventional moral or legal constraints was transformed into a society of churchgoers with a concern for legitimacy As the church was reconceptualized as a household ruled by father figures feminine qualities came to define the very essence of sin Juster observes that an image of benevolent patriarchy threatened by the specter of female power was a central motif of the wider political culture during the age of democratic revolutions **Anamnesis as Dangerous Memory** Bruce T. Morrill, 2000 *Anamnesis as Dangerous Memory* explores the political theology of Johann Baptist Metz to discover how Christian memory is prophetic both in its revelation of extraordinary circumstances of injustice and the challenge and hope it poses to those who join in solidarity with the oppressed Liturgical theologian Alexander Schmemmann then elaborates how the liturgy reveals the kingdom of God and empowers believers to witness to it The meeting of these theologies results in a rich eschatology a life shaped by the vision of a future that fulfills the promises of the past **Boston's Awakening** Arcturus Z Conrad, 1909 [The Theology of Louis-Marie Chauvet](#) Glenn Ambrose, 2016-02-24 *The Theology of Louis Marie Chauvet* provides a much needed accessible introduction to the philosophical and theological foundations of Chauvet's sacramental theology Particular attention is given to his appropriation of Heidegger and use of the Social Sciences to elucidate the nature of the symbolic exchange that lies at the heart of the sacramental tradition This book highlights the prophetic deconstructive and even iconoclastic message for contemporary society and the church implicit in the Eucharistic

liturgy Common conceptions of God's presence and sacrifice are critically analyzed and the connection between sacramental worship and ethics is emphasized *Hearts and Hands* Brandon Withrow, Mindy Withrow, 2007-11-20 Part of the History Lives Series Chronicles of the Awakening of the Church 1700-1860AD **The Awakening of Life** Selwyn Brinton, 1909

Modern Christian Revivals Randall Herbert Balmer, 1993 Beginning with the Great Awakening in the American colonies and continuing through contemporary Latin America where revolution and revivalism have been central to sociopolitical change *Modern Christian Revivals* demonstrates the enduring relevance of Christian revivalism Half of the contributors focus on the United States from Puritan New England through the Old South to Billy Graham and Pat Robertson the others discuss revivalism in England Norway China and Canada chronicling influential as well as less frequently studied movements This volume explores long held assumptions about revivalism and illustrates its central role in the Christian tradition **From Page to Proclamation** Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration **The American Friend**, 1923 *The Congregationalist and Advance*, 1918 *The Biblical World* William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1919 Books for New Testament study By Clyde Weber Votaw v 26 p 271-320 v 37 p 289-352 **The Mennonite**, 1923 *The Congregationalist*, 1927 **The Sabbath Recorder**, 1919 **The Christ for all the ages, and other lay sermons** David Charles Davies, 1871 **The American Journal of Semitic Languages and Literatures**, 1917 **Present Day Papers**, 1914
