

AXE-AGE, WOLF-AGE

A Selection from
the Norse Myths

Kevin
Crossley-Holland

illustrated by Hannah Firmin

Axe Age Wolf Age A Selection

Kathleen N. Daly, Marian Rengel

Axe Age Wolf Age A Selection:

Axe-age, Wolf-age Kevin Crossley-Holland,1987 **Axe-age, Wolf-age** Kevin Crossley-Holland,1985 Tells the stories of Ymir the frost giant Asgard s wall Loki the trickster Thor s stolen hammer a clever dwarf and the death of Balder

Kathleen N. Daly,Marian Rengel,2004-01-01 Alphabetically listed entries identify and explain the characters events and important places of Norse mythology **A Century of Welsh Myth in Children's Literature** Donna R. White,1998-04-08 Myth legend and folklore have been entrenched in children s literature for several centuries and continue to be popular Some of the most ancient traditional tales still extant come from the Celtic cultures of France and the British Isles whose languages are among the oldest in Europe Among these tales are four native Welsh legends collectively known as the Mabinogi which were first translated into English in 1845 by Lady Charlotte Guest Numerous children s books have been based on the Mabinogi since then and many have received awards and critical acclaim Because these books are written for children they are not necessarily faithful retellings of the original tales Instead authors have had to select certain elements to include and others to exclude This book examines how authors of children s fantasy literature from the 19th century to the present have adapted Welsh myth to meet the perceived needs of their young audience The volume begins with a summary of the four principle tales of the Mabinogi Pwyll Prince of Dyfed Branwen Daughter of Llyr Manawydan Son of Llyr and Math Son of Mathonwy Books based on the Mabinogi generally fall into two categories retellings of the myths and original works of fantasy partially inspired by the Welsh tales Beginning with Sidney Lanier s The Boy s Mabinogion the first part of this book examines versions of the myths published for children between 1881 and 1988 The second part discusses imaginative literature that borrows elements from the Mabinogi including Alan Garner s The Owl Service which won a Carnegie medal and Lloyd Alexander s Chronicles of Prydain the final volume of which received the ALA Newbery Award for outstanding children s book **Salman Rushdie and Translation** Jenni Ramone,2013-09-12 Salman Rushdie s writing is engaged with translation in many ways translator figures tell and retell stories in his novels while acts of translation are catalysts for climactic events Covering his major novels as well as his often neglected short stories and writing for children Salman Rushdie and Translation explores the role of translation in Rushdie s work In this book Jenni Ramone draws on contemporary translation theory to analyse the part translation plays in Rushdie s appropriation of historical and contemporary Indian narratives of independence and migration **Norse Mythology A to Z** Facts On File, Incorporated,2009 Alphabetically listed entries identify and explain the characters events important places and other aspects of Norse mythology **New Books for Boys & Girls** ,1985 *Of Time, Passion, and Knowledge* Julius Thomas Fraser,2021-03-09 Only a wayfarer born under unruly stars would attempt to put into practice in our epoch of proliferating knowledge the Heraclitean dictum that men who love wisdom must be inquirers into very many things indeed Thus begins this remarkable interdisciplinary study of time by a master of the subject And while developing a theory of time as conflict J T Fraser does offer many things indeed an

enormous range of ideas about matter life death evolution and value The Voice of the Narrator in Children's Literature Charlott Otten,Gary D. Schmidt,1989-06-26 As Otten and Schmidt note in their preface voice is a broad metaphor Thus the 41 essays in this collection provide varied approaches examining point of view focus selection of details tone and even illustrations as part of the narrative identity Eight genres including picture books fantasy realism and biography receive separate study in generally brief articles by writers and more substantial analyses by critics In her contribution Jill Paton Walsh describes contemporary criticism as an impenetrable thicket of technical terms In most cases the critics here avoid jargon They speak clearly offering practical criticism accessible to anyone seriously concerned about narrative technique in children s literature Choice Although children s literature is now a recognized branch of English and American literature much of the criticism of it has focused on teaching methodology history and basic exposition Since children s books are no less a part of the literary tradition than adult books there is room for new approaches to children s literature While the importance of the voice of the narrator is emerging in criticism of adult fiction poetry and nonfiction little has been written about this subject in children s literature Examining the voice of the narrator can identify hitherto unexplored and unrecognized aspects of children s literature The essays in this collection were contributed by noted authors and critics Their inquiry is divided into eight genres the illustrated book folk literature and myth fantasy realism poetry historical fiction biography and informational books and each genre is discussed in terms of the authorial voice and the critical voice Each of the essays works toward an understanding of how the voice of the narrator functions in a given work or in the larger corpus of an author s work The result is not only a greater understanding of how specific authors shape their material and how authors use voice for particular effects but also how the narrator differs functionally from one genre to the next This unique essay collection is particularly suited for use in children s literature courses Because the contributors are some of the most significant authors and critics in children s literature in English it should also be part of any academic library s holdings in the criticism of children s literature in particular and literary criticism in general **International Who's Who in Poetry**

2005 Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes Major Authors and Illustrators for Children and Young Adults Joyce Nakamura,1993 Contains updated and revised sketches on nearly 800 of the most widely

read authors and illustrators appearing in Gale's Something about the author series Littell's Living Age, 1877

Bulletin of the Center for Children's Books, 1986 *British Children's Writers Since 1960* Caroline Collins
Hunt, 1996 Essays on authors whose works range from the traditional or reactionary to the experimental During this time the
problem novel gained ground Competition from other media such as the television influenced the juvenile book market
During this period a publishers group was formed to give serious thought to the direction in which juvenile books should go

Something about the Author Diane Telgen, 1993 Series covers individuals ranging from established award winners to
authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in
progress adaptations additional sources and photographs **Jim Kobak's Kirkus Reviews**, 1986 *Long Tom and the
Dead Hand* Kevin Crossley-Holland, Shirley Felts, 1992 Long Tom was foolish he went to the marsh alone His mother found
him a week later his hair grey his eyes staring and his arm now a bleeding stump This is one of the stories in this collection
from East Anglia and the Fens The author is the 1991 Carnegie Medal winner *Clr Cumulative Title Index*, 2008-05-28

The Living Age, 1877 *Littell's Living Age* Eliakim Littell, Robert S. Littell, 1877
