# Concept Of Irony

**Søren Kierkegaard**

## **Concept Of Irony:**

*The Concept of Irony* Robert L. Perkins, 2001 The International Kierkegaard Commentary For the first time in English the world community of scholars systematically assembled and presented the results of recent research in the vast literature of Søren Kierkegaard Based on the definitive English edition of Kierkegaard's works by Princeton University Press this series of commentaries addresses all the published texts of the influential Danish philosopher and theologian This is volume 2 in a series of commentaries based upon the definitive translations of Kierkegaard's writings published by Princeton University Press 1980ff **The Concept of Irony, with Continual Reference to Socrates/Notes of Schelling's Berlin Lectures**

Søren Kierkegaard, 2013-04-21 A work that not only treats of irony but is irony wrote a contemporary reviewer of *The Concept of Irony with Continual Reference to Socrates* Presented here with Kierkegaard's notes of the celebrated Berlin lectures on positive philosophy by F W J Schelling the book is a seedbed of Kierkegaard's subsequent work both stylistically and thematically Part One concentrates on Socrates the master ironist as interpreted by Xenophon Plato and Aristophanes with a word on Hegel and Hegelian categories Part Two is a more synoptic discussion of the concept of irony in Kierkegaard's categories with examples from other philosophers and with particular attention given to A W Schlegel's novel *Lucinde* as an epitome of romantic irony *The Concept of Irony and the Notes of Schelling's Berlin Lectures* belong to the momentous year 1841 which included not only the completion of Kierkegaard's university work and his sojourn in Berlin but also the end of his engagement to Regine Olsen and the initial writing of *Either Or* **The Concept of Irony** Søren

Kierkegaard, 2025-07-22 *The Concept of Irony with Constant Reference to Socrates* is an in depth investigation into the nature of irony starting from the Socratic example to critique its superficial or purely literary interpretation Kierkegaard proposes that Socratic irony was an existential stance that challenged conventions opening space for authentic reflection and self knowledge By analyzing irony in its historical philosophical and existential aspects Kierkegaard outlines the boundaries between irony as a figure of speech and irony as an attitude towards life His critique of the German Romantics highlights his rejection of empty abstractions and his commitment to lived reality Since its publication *The Concept of Irony* has been recognized as one of the most important works on the theme influencing not only philosophy but also literary and theological studies The enduring relevance of this work lies in its ability to provoke a radical reevaluation of the role of irony in intellectual life and existence By investigating irony as a path to spiritual freedom Kierkegaard invites readers to reconsider philosophy as an activity of self knowledge and transformation inaugurating a new way of understanding the individual and their relationship with the world **The Concept of Irony** Søren Kierkegaard, 1968 **The Concept of Irony, with**

**Continual Reference to Socrates** Søren Kierkegaard, 1989 A work that not only treats of irony but is irony wrote a contemporary reviewer of *The Concept of Irony with Continual Reference to Socrates* Presented here with Kierkegaard's notes of the celebrated Berlin lectures on positive philosophy by F W J Schelling the book is a seedbed of Kierkegaard's

subsequent work both stylistically and thematically Part One concentrates on Socrates the master ironist as interpreted by Xenophon Plato and Aristophanes with a word on Hegel and Hegelian categories Part Two is a more synoptic discussion of the concept of irony in Kierkegaard's categories with examples from other philosophers and with particular attention given to A W Schlegel's novel Lucinde as an epitome of romantic irony The Concept of Irony and the Notes of Schelling's Berlin Lectures belong to the momentous year 1841 which included not only the completion of Kierkegaard's university work and his sojourn in Berlin but also the end of his engagement to Regine Olsen and the initial writing of Either Or Irony on Occasion Kevin Newmark,2012 This book examines how the romantic and post romantic concept of irony provides the means for an uneasy articulation between philosophical thought and literary language It considers the role played by ironic disruptions in writings by Friedrich Schlegel Søren Kierkegaard Friedrich Nietzsche Thomas Mann Jean Paulhan Jacques Derrida Paul de Man and J M Coetzee *The Concept of Irony, with Continual Reference to Socrates* Søren Kierkegaard,1992 *The concept of irony, with constant reference to Socrates; tr Søren Kierkegaard, Lee M. Capel, Gregory Vlastos on Socratic Irony* Alan Roy Vincelette,1993 **Irony** J. A. K. Thomson,2025-05 Irony with its old and complex history beginning with Plato and Socrates and known by intellectuals from different social classes including the ancient dramatists philosophers and rhetoricians is not an easy concept to grasp Originally published in 1926 this volume analyses the history of irony in ancient writers such as Homer and Lucian and how the use of Irony in modern literature has been shaped and coloured by the Ironical tradition The works of Tacitus Shakespeare Goethe and Jane Austen are among those discussed **Irony** Douglas Colin Muecke,1970 Nature of irony Sarcasm Impersonal irony Self disparaging irony Ingenu irony Irony of self betrayal Irony of simple incongruity Dramatic irony General irony Romantic irony **Imagination and Meaning in Calvin and Hobbes** Jamey Heit,2014-01-10 From 1985 to 1995 the syndicated comic strip Calvin and Hobbes followed the antics of a precocious six year old boy and his sardonic stuffed tiger At the height of its popularity the strip ran in more than 2 400 newspapers and generated a fan base that continues to run in the millions This critical analysis of Calvin and Hobbes explores Calvin's world and its deep reservoir of meanings Close readings of individual strips highlight the profundity of Calvin's world with respect to a number of life's big questions including the things that one values friendship God death and other struggles in life By engaging with Calvin and Hobbes as more than just a comic strip this work demonstrates how the imagination remains an invaluable resource for making sense of the world Instructors considering this book for use in a course may request an examination copy here Søren Kierkegaard's Concept of Irony Paul LeRoy Moore,1963 **Kierkegaard and His Contemporaries** Jon Stewart,2008-08-22 Interpreting Kierkegaard in the general context of Golden Age Denmark this interdisciplinary anthology features articles which treat his various relations to his most famous Danish contemporaries It aims to see them not as minor figures laboring in Kierkegaard's shadow but rather as significant thinkers and artists in their own right The articles illuminate both Kierkegaard's influence on his contemporaries

and their varied influences on him. By means of the analyses of these various relations aspects of Kierkegaard's authorship are brought into new and insightful perspectives. The featured essays treat some of the most important figures from the time representing the fields of philosophy, theology, literature, criticism, and art. *Kierkegaard's Writings* Søren Kierkegaard, 1978

**Sources, Processes and Methods in Coleridge's 'Biographia Literaria'** Kathleen M. Wheeler, 1980-11-27 This is Dr Wheeler's analysis of the *Biographia Literaria*, one of the central prose texts of the Romantic period. **Kierkegaard Studies Yearbook 2009** Niels Jørgen Cappelaere, Hermann Deuser, K. Brian Söderquist, 2009-07 *Kierkegaard Studies Yearbook 2009* focuses on Danish thinker Søren Kierkegaard's most scholarly work, *The Concept of Irony*. The articles in this volume explore Kierkegaard's multifaceted understanding of irony and treat issues ranging from his understanding of Socratic irony to the philosophical, literary, and religious problems associated with the German Romantic literature. In addition, *Yearbook 2009* includes a series of guest lectures by international scholars. Articles are written in English and German. [Keywords in Western Literary Criticism and Contemporary China](#) Yamin Hu, 2020-07-14 Since the reform and opening up of China in 1978, Western literary criticism has begun to flourish and gain in popularity within the country's academic literature community. These two volumes meticulously select and examine nine of the most influential keywords from Western literary theory while identifying the intricate historical sources of these terms and analyzing their relevance to other disciplines and ideas. The result shows how these words function as heterogeneous cultural contexts in the complexity of experience but also how they function within the context of Chinese culture as well as Chinese literature and criticism. In this volume, the editors focus on discourse, text, narrative, literariness, and irony from the perspectives of etymology, documentation, meanings, and other core factors. Students of literature and languages, and especially Chinese literature, will benefit from this two-volume set. The Open Access version of this book is available at <http://www.taylorfrancis.com> and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International license. **The Concept of Irony** Søren Kierkegaard, 1965 [The Penguin Dictionary of Literary Terms and Literary Theory](#) John Anthony Cuddon, Claire Preston, 1998 *The Penguin Dictionary of Literary Terms and Literary Theory* is firmly established as a key work of reference in the complex and varied field of literary criticism. Now in its fourth edition, it remains the most comprehensive and accessible work of its kind and is invaluable for student teachers and general readers alike.

When somebody should go to the ebook stores, search introduction by shop, shelf by shelf, it is in fact problematic. This is why we provide the book compilations in this website. It will unquestionably ease you to look guide **Concept Of Irony** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
