**Concerning Lafcadio Hearn** George Milbry Gould, Laura Stedman, 1908 Lafcadio Hearn 1850 1904 wrote vivid accounts about life in New Orleans the West Indies and Japan This appreciative 1908 biography discusses his birth to an Irish father and Greek mother his work and travels and the impact of poor eyesight on this poet of myopia Gould writes Of Lafcadio Hearn there has been and will be no excuse for any biography whatever A properly edited volume of his letters and development of his imaginative power and literary character are and still remain most desirable **Concerning Lafcadio Hearn** George M. Gould, Laura Stedman, 2014-03 This Is A New Release Of The Original 1908 Edition "Concerning Lafcadio Hearn." , Concerning Lafcadio Hearn George Milbry Gould, 2008 *Concerning Lafcadio Hearn* Gould George M. Gould, 2015-07-26 Excerpt from Concerning Lafcadio Hearn There are as many possible biographies of a man as there are possible biographers and one more Of Lafcadio Hearn there has been and there will be no excuse for any biography whatever A properly edited volume of his letters and perhaps a critical estimate of the methods and development of his imaginative power and literary character are and still remain most desirable That some competent hand may yet be found to undertake this task is still hoped by those who recognize the value of the man's best work To furnish material and help toward this end is my object in collecting the following pages The life of a literary man interests and is of value to the world because of the literature he has created Without a bibliography without even mention of the works he wrote his biography would be useless To correct many untrue and misleading statements and inferences of a serious nature that have been published concerning him and his life should it ever be undertaken will prove a labor so difficult and thankless that it will scarcely be entered upon by one who would do it rightly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Concerning Lafcadio Hearn; With a Bibliography by Laura Stedman** George M.
