# Concord The Merrimack

**HENRY DAVID. THOREAU**

## **Concord The Merrimack:**

*A Week on the Concord and Merrimack Rivers* Henry David Thoreau, 2006 Based on a trip with his brother in 1839 *A Week on the Concord and Merrimack Rivers* is an excellent example of Thoreau's talent for naturalistic writing In exquisite detail Thoreau depicts the nature that surrounds him over the course of his trip One of only two books to be published during his lifetime Thoreau began work on *A Week on the Concord and Merrimack Rivers* following his brother's death in 1842 however the work was not fully completed and published until 1849 A failure when first published *A Week on the Concord and Merrimack Rivers* has since been recognized as one of Thoreau's great naturalist works

**WEEK ON THE CONCORD AND MERRIMACK RIVERS** HENRY DAVID. THOREAU, 2018

**A Week on the Concord and Merrimack Rivers** Henry David Thoreau, 1906

*A week on the Concord and Merrimack rivers* Henry David Thoreau, 1906

**The Maine Woods** Henry David Thoreau, 2014-06-16

In 1849 Thoreau published his first book *A Week on the Concord and Merrimack Rivers* The actual voyage was performed by the two brothers Henry and John in the late summer of 1839 in a boat of their own making painted green below with a border of blue with reference to the two elements in which it was to spend its existence During his Walden retirement Thoreau worked over the original record of his pleasant outing expanding it greatly by the inclusion of very various material and had it published at his own risk by Monroe in 1849 It was the year of the Argonauts of the gold rush to California and such literary treasure as the odd book contained was not much regarded Though favourably reviewed by Ripley and by Lowell it did not please the public and over seven hundred copies out of an impression of one thousand were thrown back on the author's hands It is another of the paradoxes of Thoreau's career that since his death this failure has been edited with almost benedictine care

*A week on the Concord and Merrimack Rivers* Henry David Thoreau, 1906

**WEEK ON THE CONCORD AND MERRIMACK RIVERS.** HENRY DAVID THOREAU., 2026

*A Week on the Concord and Merrimack Rivers* Henry David Thoreau, 2020-02-26 The Musketaquid or Grass ground River though probably as old as the Nile or Euphrates did not begin to have a place in civilized history until the fame of its grassy meadows and its fish attracted settlers out of England in 1635 when it received the other but kindred name of Concord from the first plantation on its banks which appears to have been commenced in a spirit of peace and harmony It will be Grass ground River as long as grass grows and water runs here it will be Concord River only while men lead peaceable lives on its banks To an extinct race it was grass ground where they hunted and fished and it is still perennial grass ground to Concord farmers who own the Great Meadows and get the hay from year to year One branch of it according to the historian of Concord for I love to quote so good authority rises in the south part of Hopkinton and another from a pond and a large cedar swamp in Westborough and flowing between Hopkinton and Southborough through Framingham and between Sudbury and Wayland where it is sometimes called Sudbury River it enters Concord at the south

part of the town and after receiving the North or Assabeth River which has its source a little farther to the north and west goes out at the northeast angle and flowing between Bedford and Carlisle and through Billerica empties into the Merrimack at Lowell In Concord it is in summer from four to fifteen feet deep and from one hundred to three hundred feet wide but in the spring freshets when it overflows its banks it is in some places nearly a mile wide *A Week on the Concord and Merrimack Rivers (Illustrated)* Henry David Thoreau,2021-01-04 All good things are wild and free Henry David Thoreau An American Classic Includes Illustrations of Thoreau and His Life **The Concord and the Merrimack** Henry David Thoreau,1954 *A Week on the Concord and Merrimack Rivers* Henry David Thoreau,2014-10-03 *A Week on the Concord and Merrimack Rivers* is a book by Henry David Thoreau first published in 1849 The book is ostensibly the narrative of a boat trip from Concord Massachusetts to Concord New Hampshire and back Thoreau had taken with his brother John in 1839 As John had died from tetanus in 1842 Thoreau wrote the book as a tribute to his memory *A Week on the Concord and Merrimack Rivers* Henry David Thoreau,2020-05-20 Based on a trip with his brother in 1839 *A Week on the Concord and Merrimack Rivers* is an excellent example of Thoreau s talent for naturalistic writing In exquisite detail Thoreau depicts the nature that surrounds him over the course of his trip One of only two books to be published during his lifetime Thoreau began work on the novel following his brother s death in 1842 however the work was not fully completed and published until 1849 A failure when first published it has since been recognized as one of Thoreau s great naturalist works The Musketaquid or Grass ground River though probably as old as the Nile or Euphrates did not begin to have a place in civilized history until the fame of its grassy meadows and its fish attracted settlers out of England in 1635 when it received the other but kindred name of Concord from the first plantation on its banks which appears to have been commenced in a spirit of peace and harmony It will be Grass ground River as long as grass grows and water runs here it will be Concord River only while men lead peaceable lives on its banks To an extinct race it was grass ground where they hunted and fished and it is still perennial grass ground to Concord farmers who own the Great Meadows and get the hay from year to year One branch of it according to the historian of Concord for I love to quote so good authority rises in the south part of Hopkinton and another from a pond and a large cedar swamp in Westborough and flowing between Hopkinton and Southborough through Framingham and between Sudbury and Wayland where it is sometimes called Sudbury River it enters Concord at the south part of the town and after receiving the North or Assabeth River which has its source a little farther to the north and west goes out at the northeast angle and flowing between Bedford and Carlisle and through Billerica empties into the Merrimack at Lowell In Concord it is in summer from four to fifteen feet deep and from one hundred to three hundred feet wide but in the spring freshets when it overflows its banks it is in some places nearly a mile wide Between Sudbury and Wayland the meadows acquire their greatest breadth and when covered with water they form a handsome chain of shallow vernal lakes resorted to by numerous gulls and ducks Just above Sherman s Bridge between these towns is the largest expanse and when the wind

blows freshly in a raw March day heaving up the surface into dark and sober billows or regular swells skirted as it is in the distance with alder swamps and smoke like maples it looks like a smaller Lake Huron and is very pleasant and exciting for a landsman to row or sail over The farm houses along the Sudbury shore which rises gently to a considerable height command fine water prospects at this season The shore is more flat on the Wayland side and this town is the greatest loser by the flood Its farmers tell me that thousands of acres are flooded now since the dams have been erected where they remember to have seen the white honeysuckle or clover growing once and they could go dry with shoes only in summer Now there is nothing but blue joint and sedge and cut grass there standing in water all the year round For a long time they made the most of the driest season to get their hay working sometimes till nine o'clock at night sedulously paring with their scythes in the twilight round the hummocks left by the ice but now it is not worth the getting when they can come at it and they look sadly round to their wood lots and upland as a last resource *A Week On The Concord and Merrimack Rivers* Henry David

Thoreau,2021-01-01 Written by famous American essayist poet philosopher abolitionist naturalist tax resister development critic surveyor and historian Henry David Thoreau the present book *A Week on the Concord and Merrimack Rivers* was first published in the year 1849 **A Week on the Concord and Merrimack Rivers** Thoreau Henry David,2019-03-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Week on the Concord and Merrimack Rivers** Henry David Thoreau,2021-04-16 a week on the concord and merrimack rivers From Henry David Thoreau **A Week on the Concord and Merrimack Rivers** Henry David Thoreau,2021-07-05 *A Week on the Concord and Merrimack Rivers* is a book by Henry David Thoreau It is ostensibly the narrative of a boat trip from Concord Massachusetts to Concord New Hampshire and back that Thoreau took with his brother John in 1839 While the book may appear to be a travel journal broken up into chapters for each day this is deceptive The actual trip took two weeks and while given passages are a literal description of the journey from Concord Massachusetts down the Concord River to the Middlesex Canal to the Merrimack River up to Concord New Hampshire and back much of the text is in the form of digressions by the Harvard educated author on diverse topics such as religion poetry and history *A Week on the Concord and Merrimack*

Rivers Henry David Thoreau,1978      **The Illustrated a Week on the Concord and Merrimack Rivers** Henry David Thoreau,1983      **A Week on the Concord and Merrimack Rivers** Henry David Thoreau,2020-04-23 The play was late in breaking up old Barbara went more than once to the window and listened for the sound of carriages She was waiting for Mariana her pretty mistress who had that night in the afterpiece been acting the part of a young officer to the no small delight of the public Barbara s impatience was greater than it used to be when she had nothing but a frugal supper to present on this occasion Mariana was to be surprised with a packet which Norberg a young and wealthy merchant had sent by the post to show that in absence he still thought of his love As an old servant as confidant counsellor manager and housekeeper Barbara assumed the privilege of opening seals and this evening she had the less been able to restrain her curiosity as the favor of the open handed gallant was more a matter of anxiety with herself than with her mistress
