The Reformation

The Reformation was a major religious movement in the 16th century that led to the creation of Protestant churches. It began in 1517 when Martin Luther posted his 95 Theses on the door of the Castle Church in Wittenberg, Germany. Luther's ideas challenged the authority of the Pope and the Catholic Church's practices, such as the sale of indulgences. Other reformers like John Calvin and Huldreich Zwingli also emerged, leading to the development of various Protestant denominations. The Reformation had a profound impact on European society, politics, and culture, ultimately leading to the modern world.
