William John Sparrow-Simpson

Avsarian Resurrection:

Resurrection and Parousia Joost Holleman, 1996 A traditio historical study of three Pauline ideas concerning the eschatological resurrection It sheds new light on both the continuity and discontinuity between early Christianity and Judaism with regard to eschatological expectations **The Resurrection of Christ** George Bush, 1845 *The Reality of the Resurrection* Merrill Chapin Tenney, 1963 Jesus return from the dead to resume contact with his disciples is the great unshakable reality of the ages says Merrill C Tenney Dean Tenney makes a forceful case for the traditional Christian view of the Resurrection and demonstrates that Christ s conquest of death has prime significance for the spiritual and intellectual concerns of our age His clear well organized presentation covers almost every aspect of this central doctrine Pagan Myths Hebrew Scriptures and Apocrypha Old Testament Predictions Evidence of the Gospels and Acts Developing Theology of the New Testament Emerging Creed of the Early Church Historical Evidence for the Resurrection Resurrection and the Nature of God Salvation and Eschatology What Christ s Conquering of Death Means for Humanity How the Resurrection Can Give Meaning and Purpose to Life Today The Ineffable Glory Edward McKendree Bounds, 1921 **Our Lord's Resurrection** William John Sparrow-Simpson, 1905 **Beyond the Shadow, Or, The Resurrection of Life** James Morris Whiton, 1890

Resurrection: A Guide for the Perplexed Lidija Novakovic, 2016-02-25 This volume examines what the followers of Jesus meant when they declared that he was raised from the dead This claim which lies at the core of Christian faith is one of the most controversial topics in Christianity Jesus resurrection has no analogy in human history Although many 1st century Jews expected the resurrection of the dead at the end of time the Christian claim that this had already happened to one individual within the realm of history was unprecedented Moreover an affirmation of Jesus bodily resurrection contradicts the known laws of nature Additional difficulty comes from the nature of the available evidence The New Testament sources not only mirror the worldview of ancient authors but also differ with regard to who saw him alive what was the nature of his risen body and whether the empty tomb was a widespread knowledge or an assumption based on prior beliefs Novakovic presents all these issues in a clear and methodical way She examines the literary sources and addresses various questions related to historical investigations of Jesus resurrection A Resurrection to Immortality William West, 2011 Life is the most important possession we have Without it there is nothing Only by the resurrection at the second coming of Christ will anyone have life after death After the resurrection the fate of those who are in Christ 1 Eternal life Romans 6 23 2 Shall inherit eternal life Matthew 19 29 3 After the judgment they shall go away into eternal life Matthew 25 46 4 Will have eternal life John 3 5 5 Christ will raise them up on the last day John 6 40 6 Will be immortal after the resurrection 1 Corinthians 15 51 56 7 Will have incorruption 1 Corinthians 15 42 8 Will have glory 1 Corinthians 15 43 9 Will be like Christ We shall be like him for we shall see him even as he is 1 John 3 2 10 Are heirs according to the hope of eternal life Titus 3 7 11 Will have a spiritual body 1 Corinthians 15 44 12 And as we have borne the image of the earthly The earthly flesh and blood body of

Adam was made to live on this earth but it cannot inherit the kingdom of God 1 Corinthians 15 50 we shall also bear the image of the heavenly Shall be like the spiritual body of Christ for life in Heaven 1 Corinthians 15 47 56 13 Will never perish John 10 28 14 Forever with the Lord 1 Thessalonians 4 17 15 Many mansions in my father s house In my Father s house Who is in Heaven Matthew 5 16 5 45 5 48 6 1 6 9 7 21 10 32 33 are many mansions I go to prepare a place for you **Believing in the Resurrection** Gerald O'Collins,2012 Gerald O Collins SJ is professor emeritus of the Gregorian University Rome and now adjunct professor at Australian Catholic University An international authority in the area of resurrection studies he has published seven books and dozens of articles on the resurrection of Jesus **The Resurrection of the Dead** William Hanna,1872 The Resurrection of Jesus James Orr,1908 The Resurrection of the Messiah Francis J. Moloney,2013 Taking inspiration from a different interpretative tradition the classic work of Raymond Brown on the birth and death of the Messiah Francis Moloney has provided a comprehensive narrative reading of the resurrection stories of all four Gospels in close association with their passion narratives to which they are the stunning response The book traces how the four eangalists different telling of the resurrection stories has narrated the action of God for Jesus and the action of God and Jesus for all Christians in and through the early Church s belief and experience of the resurrection of Jesus The final chapter discusses what we can recover about the events of Easter day and more importantly what these events meant then and continue to mean today back cover And Morning Came Megan McKenna,2007-08-02 Reflects on the central mystery of faith how new life springs from death Invites readers to contemplate the central mysteries of Christ s incarnation passion death and new life The First Resurrection Flossie Jackson Spencer,2013-08 Many people believe there will be a future rapture great tribulation and millennial kingdom but what about escaping the conflict in the rapture yet having to face Satan in another after the millennium is complete There are a lot of flaws in the end time doctrine that cause joy and nightmares for many believers I was such a believer and because of the unanswered questions that caused me to lose sleep my prayers were answered with wonder and excitement Revelation came with hard studies and prayer which should continue with the reader of this book My prayer is for your understanding to be opened as you read and meditate on this work *The Reality of the Resurrection* Merrill C Tenney,2020-05-08 Ever since the apostles of Christ invaded the Roman world with the gospel the Christian church has been endeavoring to formulate its theology in language relevant to the times The essential truth of divine revelation remains unchanged for God is eternally the same but the problems and fashions of human thought vary from century to century Each succeeding period demands some new adjustment discarding the phraseology of the past and adopting eagerly the current formulas that seem more significant In this creedal flux the definition of Christianity often seems to be dependent upon the terms of the latest philosophy that it encounters During the Middle Ages Thomas Aquinas attempted to combine Biblical truth with Aristotelian reasoning Later Immanuel Kant s philosophy led to the theology of Schleiermacher and Harnack and today existentialism wields a powerful influence over Barth Brunner and Bultmann Is there

any inherent principle or symbol by which the gospel can be defined without resorting to extraneous forms The author believes that the resurrection of Christ can supply the framework for Christian theology because it marks the intersection of the temporal and eternal worlds of material existence and spiritual life Because the event is supernatural it expresses the essence of God s revelation because it is historical it is a genuine part of human experience The resurrection is a permanent witness to the love power holiness and redemptive purpose of God and is also a fact which must be accepted as part of history It cannot be dismissed as a speculative venture of the intellect which is possibly but not necessarily true *The Resurrection Revealed* Nathaniel Homes,1833 The Resurrection of the Dead Hiram Mattison,1868 **The Resurrection of Our Lord** William Milligan,1896 **The Glorious Resurrection** Hilton Hotema,1998 1960 Chapter Headings Symbolism Ancient Science Crucified Saviors Great Mother of the Gods Mysterious Resurrection Birth of Gods Light Two Bodies in One Ancient Terminology Mystic Sleep Life Cycle Swindle of Mythography Unknown **The First Easter Dawn** Charles Turner Gorham,1910
