## Awaiting A Lover:

**The World Is a Waiting Lover** Trebbe Johnson, 2011-02-08 Johnson explores the concept of the Beloved the elusive alluring force that beckons us forth to passionate engagement with the world and shows how our sense of love is often linked to something far greater than ourselves She explains that mistaking a human lover for the inner eternal Beloved is the first step in any romance yet the ability to distinguish between the two ultimately holds the key to our quest for personal freedom and fulfillment Steeped in Western and Eastern myth and romantic imagery *The World is a Waiting Lover* guides us through story and thought in order to discover passion Eros and our authentic selves It is a personal story and at the same time an invitation to explore our individual yearnings to live with fearless authenticity as we find more passion and meaning in our work relationships and view of the future
