Awakening as Holy Mystery Kevin G. Thew Forrester, 2025-07-15 Christianity is an ancient non dual spiritual path of awakening This is not an awakening to God known as a religious object through the lens of belief hewn into shape through a set of religious doctrines This awakening begins with falling in love with the heart of Reality Holy Mystery and comes to fruition in the realization that the soul is one with the Beloved Holy Mystery the soul discovers is the true I of existence The author invites the reader on a journey through reflections and explorations nurtured by worship and prayer Here the soul might begin to slowly awaken to the truth of what she herself is This is the gracious path of Jesus own heart realizing that he and the Beloved are one Jesus awakens as the Christ The spiritual path in the Christian tradition is that each person also realizes Christ heart awakening and knowing not only one's own being as Holy Mystery but all creation as the unfolding flowering of boundless love Awakening becomes the source of servanthood and service Jesus embodies what each is called to realize as the heart's deepest and unceasing longing Rude Awakenings James W. Heisig, John C. Maraldo, 1995-06-01 Can Zen tell us whether particular wars are right or wrong What role did D T Suzuki and other Zen figures play in the Japanese nationalism that fueled World War II What are we to make of nationalistic elements in the thought of Nishida Kitaro Tanabe Hajime Nishitani Keiji and other philosophers of the Kyoto School What connection was there between the Japanese project of overcoming the modernity of the West and the militarism of its 15 year war in Asia In a collection of carefully documented essays 15 Japanese and Western scholars take up these and other questions about the political responsibility of Japanese Buddhist intellectuals This well indexed and meticulously edited volume offers a variety of critical perspectives and a wealth of information for those interested in prewar and wartime history Zen Japanese philosophy and the problem of nationalism today The Path of the Buddha Kenneth W. Morgan, 1986-01-01 This book presents Buddhism from the Buddhist point of view It is an earnest attempt of eleven devout Buddhist scholars to describe the beliefs and practices of the Buddhist world

twenty five centuries after the Buddha The need for such a book grew out of conversations among fellows of the National Council of UAS on Religion in Higher Education It was agreed that a fuller understanding of the leading non Christian religions requires books written by men speaking from the point of view of their own faiths and edited by a Westerner to make the meaning clear to readers brought up in the Greek Hebrew Christian Tradition Bhikhu J Kashyap of India has contributed the first chapter on the origin and expansion of buddhism U Thittila of Rangoon wrote the second chapter on the fundamental principles of the Theravada Buddhism Balangoda Ananda Maitreya of Ceylon who wrote the third chapter was recommended as a man who can speak for all Theravada countries

Abiding Hope Angela Benson, 2003-06-01 Arriving in Odessa Mississippi to run a social services program after the death of their six year old son Marvin and Sharonetta Taylor must place their faith in God and their marriage when Shay becomes determined to have another child a decision that could tear them apart forever Original

The Orchard of Pomegranates - Pardes Rimonim Rabbi Moshe Cordovero (Ramak), 2025-09-11 Pardes Rimonim The Orchard of Pomegranates is the magnum opus of Rabbi Moshe Cordovero Ramak 1522-1570 written in Safed in the mid 16th century It is the first systematic encyclopedia of Kabbalah in which ancient mystical teachings were gathered and organized into a coherent system The title of the book is symbolic the pomegranate with its hundreds of seeds represents the multitude of mysteries and meanings contained within the Torah and the cosmos Like a garden filled with diverse fruits Kabbalah is presented in the book as a holistic harmonious teaching Across 32 gates Ramak guides the reader through key areas of mystical thought from the doctrine of the One God and the ten Sefirot to the structure of spiritual worlds Angels and Demons the nature of the Soul the meaning of commandments and the mystery of future redemption This book blends philosophical clarity with poetic inspiration It opens a path not only to understanding Kabbalah but also to experiencing it as a living reality where each step of the seeker brings them closer to the Infinite There are books written in ink and there are books written in light Pardes Rimonim is not merely the treatise of a sage it is a garden into which one enters with a bare heart There branches intertwine like the paths of the Sefirot there pomegranates hang heavy with fruit each seed holding a secret each seed a part of the whole Rabbi Moshe Cordovero the great Ramak opened the gates of this garden in Safed where the air was filled with hymns and revelations and gathered all the voices of Kabbalah so that in one place they might sing a symphony of infinity Here we learn that God is One that His light shines through ten vessels that the human soul is bound to the roots of creation and that every commandment every prayer is a thread mending the fabric of the world But this garden is not only a solace it is also a challenge For the deeper we wander its paths the more we realize behind the first mystery lies a second behind the second a third and so on endlessly until we dissolve into Ein Sof Whoever enters this garden with an open heart will hear the leaves whisper eternal names and perhaps find there their own fruit sweet and radiant like a spark of the soul
