B Ed And A Bullet Proof Vest:

A B. Ed and a Bullet Proof Vest Larry Judy Greenberg,2003 **Bulletproof Vests Vs. The Ethic of Care** Denise Smith,2003-02-04 Too often teachers and students experience violence directly and feel unsafe in their school environment which diverts energy and resources from classroom instruction Solutions to this ongoing problem include the installation of warning devices metal detectors and surveillance cameras but none of these methods have proven sufficient The primary focus of this book is on teaching practices that promote safe and nonviolent educational environments for children in schools These practices are based on a systematic review recently conducted by the U S Surgeon General and the U S Secret Service Specific attention is devoted to teaching practices that reflect Nodding s theory of the ethics of care as well as Bronfenbrenner s ecological model For teacher educators in K 12 schools and universities and inservice general and special education teachers *Bulletproof Fashion* Barbara Sutton,2023-05-23 In the context of gun proliferation and persistent gun violence in the United States a controversial security strategy has gained public attention bulletproof fashion This book examines concerns about security focusing on armored clothing and accessories for civilians Available for children and adults such ballistic products include colorful backpacks elegant suits sports jackets feminine dresses trendy vests and medical lab coats These products are paradigmatic of a fashion of fear the practice of outfitting the body with apparel aimed at maximizing personal security This fashion encourages the emergence of both a fortress body and an armored society Sutton also explores the wider social factors influencing the bulletproof fashion phenomenon including the inequalities associated with neoliberalism and the militarization of civilian life The book sheds light on the role of emotions in relation to discourses and perceptions of security and encourages feminist and sociological studies to pay attention to the linkages between security bodies and dress It is ideal for students and scholars interested in security and gun violence culture and politics neoliberalism and consumption and bodies and emotions **Democratic Discipline in Learning Communities** Clifford H. Edwards,2011-01-16 This book describes in detail the attributes of learning communities and how these characteristics help students acquire a sense of moral responsibility and commitment to fellow students Clifford H Edwards provides an account of how schools fail to satisfy student needs and thus promote discipline problems Special attention is given to children s need for self direction and how empowering them can promote more responsible learning involvement There is also a focus on the factors that motivate learning and those that do not and how teachers can help their students become more intrinsically interested in school learning Constructivist learning theory is presented as the most accepted explanation of how children learn and how it articulates with the learning community approach to education The inquiry learning strategy is given as the most effective way to apply constructivist learning theory in classrooms Appropriate relationships and effective communications are presented as essential components of learning communities and how they accentuate the effectiveness of this learning orientation Democratic discipline within learning communities is described in detail *The Selected Works*
