STRENGTH

Strength determines the damage that you do with strength based weapons and slightly increases how much you can carry.

Scourge - Deal additional damage that scales with your corrupted strength.

Mule Kick - Your kick knocks back enemies farther and knocks them down.

Wreck - The blows from your strikes numb your opponents, reducing their damage potential.

Blood must be earned - When below 25% health, you cannot be staggered or knocked down, your damage is increased by an additional 10%, and your armor is increased by an additional 50.

Chewing through - Your Heavy attacks stagger for 25% longer and stagger resistant HP pools.
