

The Statue of Liberty is depicted in a dark, almost black silhouette against a white background. The statue is shown from the waist up, holding a torch aloft in its right hand. The crown with its seven spikes is clearly visible. The lighting creates a strong shadow of the statue on the white background to the right.

## **Concept Of Freedom Krishnamurti:**

**Concept of Freedom** Ambika Sharma,2001-05 The book contains quite comprehensively Jiddu Krishnamurti's philosophical ideas on human freedom Like Buddha and Christ Krishnamurti also possessed great love for human beings Therefore he showed a great concern for human plight He lived for more than ninety years during which he talked, discoursed and lectured at different places in various countries for almost sixty years His main concern in those talks was to enlighten man about the impediments that didn't allow him to achieve freedom As a philosopher Krishnamurti's position is quite unique He develops neither any new philosophical canons nor believes in any kind of practices which would help man to attain freedom gradually He holds that man can reach the domain of freedom at once provided he keeps his mind free from every kind of thoughts The thoughtless state of mind is the state of a meditative mind It is also the state of a silent mind In a most simple and convincing language Krishnamurti reasserts the importance of the ancient precept know thyself and advises us to seek liberation by acquiring the right knowledge which is the knowledge of one's own self Those who love philosophy and wish to acquaint themselves with Krishnamurti's views on human freedom will find this book very interesting Total Freedom Jiddu Krishnamurti,2010-09-14 Counted among his admirers are Jonas Salk Aldous Huxley David Hockney and Van Morrison along with countless other philosophers, artists, writers and students of the spiritual path Now the trustees of Krishnamurti's work have gathered his very best and most illuminating writings and talks to present in one volume the truly essential ideas of this great spiritual thinker Total Freedom includes selections from Krishnamurti's early works, his Commentaries on Living and his discourses on life, the self, meditation, sex and love These writings reveal Krishnamurti's core teachings in their full eloquence and power: the nature of personal freedom, the mysteries of life and death and the pathless land, the personal search for truth and peace Warning readers away from blind obedience to creeds or teachers including himself, Krishnamurti celebrated the individual quest for truth and thus became one of the most influential guides for independent-minded seekers of the twentieth century and beyond **Krishnamurti** Ambika Prasad Sharma, Jiddu Krishnamurti,1993-01-01 *Life in Freedom* J. Krishnamurti,2013-10 This is a new release of the original 1928 edition **J Krishnamurti Concepts of Freedom, Meditation, Love and Truth** Karve Sushama,2022-05-04 Introduction The prominent philosophical quests that have engaged man since ancient times, besides knowing the world around him, are attainment of Freedom, Liberation, Moksha and understanding the Truth Many great thinkers, spiritual leaders, religious heads, gurus and various texts have discussed these at length in many ways Jiddu Krishnamurti (1895-1986) has also discussed these in his unique way The characteristic feature of his dialogues, discussions and writings is a universal appeal Whatever he said was not confined to a particular class, group or society or to followers of a particular school of philosophy He urged his listeners to understand the facts, the ground reality of life before entering into any kind of serious contemplation Facts and thoughts merge beautifully in his reflections What is the present-day condition of man and the world? On the individual level, his life is

filled with stress feeling of insecurity fears of various kinds constant rush anxiety fierce competition etc and these are some of the marks of modern times These of course are followed by a deep desire to free him from these tense conditions On the social level we are facing fundamentalism terrorism violence ideological tensions Also environmental issues energy crisis crunch of natural resources and grave economic conditions are shadowing our lives Along with these globalization is knocking at the doors and we have to prepare for the possible changes that will come with it The whole world is coming together in some ways but the differences chasms created due to class caste race religion nationalism etc are still strong On this background we need to understand man and the world in a different light J Krishnamurti provides this understanding which is holistic in nature and not one sided or fragmentary He has discussed various concepts like freedom love truth hatred death mind consciousness meditation time etc His dialogues and writings show that it is impossible to study one of them in isolation since they are all interconnected But keeping in mind the limitations of a thesis and the need of the hour I have chosen only four of them namely Freedom Meditation love and Truth According to him you can be free meditation helps you there and then there is love and understanding of truth

*Freedom From The known* J. KRISHNAMURTI, ABOUT THE BOOK

Ever since it was published in 1969 *Freedom from the Known* has rightly been regarded as a primer on Krishnamurti's teachings In this book we have for the first time a synthesis of what Krishnamurti has to say about the human predicament and the eternal problems of living His words have been taken from over a hundred talks to audiences of all ages and nationalities throughout Europe and India It was Krishnamurti himself who asked Mary Lutyens a life long friend and biographer to compile this book for him and who suggested the title for it The words are his unaltered but their arrangement is hers and is designed for the reader's better understanding

*Freedom from the Known* Jiddu Krishnamurti, 1975-03-19 Krishnamurti shows how people can free themselves radically and immediately from the tyranny of the expected no matter what their age opening the door to transforming society and their relationships

*Glimpses of Freedom* Katya Buchleitner, 2010 This book presents the creative approach of Theatre of the Oppressed and its liberating potential within the rigid structures of prisons Can inner freedom be experienced in oppressive outer circumstances Is there a kind of freedom that cannot be curtailed by external oppressors Can a physical space that allows trust and inspires creative expression open spaces of inner freedom The book seeks to integrate a transrational world view with political activism combining the understandings of freedom from spiritual teachers Osho and Krishnamurti with those of two revolutionaries of pedagogy and theatre Paulo Freire and Augusto Boal

[The First and Last Freedom](#) J. KRISHNAMURTI, 2001-04-01 ABOUT THE BOOK The First and Last Freedom was first brought out in 1954 by a British publisher in response to demands from all over the world for a comprehensive book on J Krishnamurti s teachings The value of the book was enhanced with Aldous Huxley writing a masterly Foreword in which he says In this volume of selections from the writings and recorded talks of Krishnamurti the reader will find a clear contemporary statement of the fundamental human problem together with an invitation to solve it in the only way in which it can be solved for and by himself The book falls into two parts Krishnamurti s reflections on life and answers to questions put to him by his audiences It covers a wide range of themes from boredom and gossip to self knowledge and God and thus provides a good starting point for those wishing to familiarize themselves with his teachings

**Summary of J. Krishnamurti's Think on These Things** Everest Media, 2022-05-03T22:59:00Z Please note This is a companion version not the original book Sample Book Insights

- 1 We must ask ourselves why we are being educated Is it only to pass some examinations and get a job Or is it the function of education to prepare us for the whole process of life We must understand that life is not just a job an occupation
- 2 Education is meant to help you understand the vast expanse of life with all its subtleties its beauty and its sorrows and joys But education can only do this if it is free of fear Otherwise it will never help you discover what is real and what is true
- 3 The world is caught up in endless wars and it is guided by politicians who are always seeking power The function of education is to give you freedom not just to conform to the social order
- 4 The world is in chaos and it is up to each individual to respond to that by finding a solution If you respond as a Hindu or a Buddhist a Christian or a communist your response is very limited You can only solve the problem if you are not afraid of losing your security

*Freedom Beyond Conditioning* Jane Wiesner, 2015-10-05 If we live in the Western world we are said to be free But are we To what degree are we bound by our thoughts and emotions What fuses us to habitual patterns of thinking and behaving Are we ever really free of conditioning

*Freedom Beyond Conditioning* East West researches the complex world of

emotional life It looks at the multifaceted relationships between body and mind and the body mind fusion that is emotion Using empirical data this book investigates the correlations between emotional life and mental freedom analysing the experiential nature of a conditioned existence while answering some difficult philosophical questions Freedom Beyond Conditioning presents an interesting anthology of some of the world s most critical thinkers It suggests that freedom is defined through its etymological links to friendship and justice revealing the quintessential paradox of responsible freedom This book blends the subtleties of Eastern theories of energy and their relationship to freedom with the Western world s science based approach to mind and body Ultimately Freedom Beyond Conditioning synthesises a healthy expression of emotional energy with the achievement of balance and wellbeing and offers it as a true representation of freedom one that is revealed through the paradoxical freedom of restraint
