Concerning Eternal Predestination of God:

Concerning the Eternal Predestination of God John Calvin, In this seminal work John Calvin presents a powerful and thought provoking exploration of the doctrine of predestination With meticulous attention to Scripture and a deep understanding of theology Calvin argues for the sovereignty of God in the salvation of individuals This book offers a compelling perspective on one of the most complex and controversial topics in Christian theology shedding light on the nature of God's grace and the ultimate destiny of humanity *Concerning the Eternal Predestination of God* Jean Calvin, 1997-01-01 The name of John Calvin is often associated with the doctrine of predestination Readers will witness Calvin masterfully arguing his points wrestling with the Scriptures and pressing his polemic [A Treatise on the Eternal Predestination of God](#) John Calvin, 2018-09-21 This volume contains two of the lesser known but nevertheless very significant treatises of John Calvin Any publication of the works of the great reformer and teacher is its own best justification and needs no explanation or apology The reprinting of this little volume however has an interesting history Until 1929 Calvin's Calvinism was virtually unknown in the United States It had not been included in the Calvin Translation Society's classic set of the works of John Calvin but had been separately translated by Henry Cole and published in England but not in the United States In 1927 it was reprinted in England by the Sovereign Grace Union of which the Reverend Henry Atherton was General Secretary In 1929 the late Reverend Herman Hoeksema visited Mr Atherton in London and preached for him in Grove Chapel Camberwell London on July 21 In remembrance of that occasion the Reverend Atherton presented the Reverend Hoeksema an inscribed copy of the book Calvin's Calvinism That event became the occasion of this work of Calvin becoming better known among Reformed people in this country partly through Herman Hoeksema's writing about and referring to it Later upon the suggestion of a Protestant Reformed minister the late Reverend Gerrit Vos the late Mr William B Eerdmans Sr included this volume in 1950 in the republication of Calvin's works at that time Since then it has long been out of print Because it sets forth so clearly John Calvin's teaching and defense of the sovereignty of God in predestination and providence it is now republished We hope it will reach a broad readership The only change made in this volume is the addition of an Index of Scripture Passages Cited Homer C Hoeksema Professor of Theology Protestant Reformed Seminary Grandville Michigan **Calvin's Calvinism, First Part** Jean Calvin, 1956 **Calvin's Calvinism** John Calvin, 2019-05-31 Calvin's Calvinism A Translation of 1 The Eternal Predestination of God 2 The Secret Providence of God By John Calvin and translated by Henry Cole D D This unique book constitutes the only original writings of John Calvin devoted expressly exclusively and purposely to the capital Calvinistic doctrines of The Eternal Predestination of God and The Secret Providence of God They are Calvin's own testimony and real mind concerning the doctrines of God's electing predestinating and sovereign grace constitute his own exposition and expression of faith and beautifully display the spirit in which he held and taught these great Biblical truths These important treatises were published in 1552 and 1558 respectively and lay locked in the original

Uncovering Calvin's God Forrest H. Buckner,2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin's doctrine of predestination that seem to undermine confidence in God's love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin's God to save some and condemn others seems to undercut completely one's assurance of salvation along with one's ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In *Uncovering Calvin's God* Forrest H Buckner unearths Calvin's teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin's corpus Buckner

examines Calvin's teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin's theology which Buckner then confirms through an extensive examination of Calvin's preaching in Geneva. He then offers a critical comparison of Calvin's approach with the teaching of Luther, Zwingli, Bullinger, Arminius, and Barth. Using Calvin's system as a starting point, this book helps readers perceive the essentials and trade-offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ.
