[Systematic Lectures on Christian Apologetics: Volume Two](#) Craig Lantz, ThD, PhD,2024-01-09 Christian Apologetics is just that Christian It is about defending the essential Christian beliefs that both Jews and Gentiles have held dear and bet their lives upon the revelation of God through Jesus Christ In case you have not noticed the faith is under attack God is raising believers to be equipped to answer intelligently for their faith You see the days have long been gone when you can tell

your skeptical non believing friends The Bible tells me so That s no longer sufficient to convince them to place their faith in a book that is ancient and challenges their lifestyles Yes my friend those days are long gone We are living in the post Christian world where anything goes and IF you re going to stand up for the TRUTH you better be able to speak intelligently OR you re going to get laughed out of the room Now a word on apologetics The word is from the Greek word apologia which means speaking in defense of Have you ever been picked on as a kid in grade school and about to get the snot beat out of you but your best friend stepped in and helped you beat their butts That best friend who stepped to your aid so that you would not get disgraced and beaten up is what apologetics is for the Christian Christian Apologetics will come to your aid intellectually and will teach you how to defend our Lord and His Word Too many Christians on college and university campuses are getting bloody noses because they got into a battle with a non believer who was able to pick apart their belief in God Jesus and the Bible Secular humanists have become very good at debunking the belief in God and universities are full of professors who will pick on the Christians in the lecture class make fun of and humiliate Christians and make them look like stupid idiots for believing in Jesus and the Bible In light of this Christian Apologetics is going to become your new best friend Apologetics is going to be the friend that shows up to assist you so that you don t get creamed by your opponent As Christians we must be able to defend our faith and even expose the foolishness of the nonbeliever This book will systematically deliver to you lectures on Christian Apologetics to equip you so that you can properly defend your belief in God **Collier's Encyclopedia**,1986 *Proof of God?
