Hoerber, 1984 **Love and Spirit** Thomas R. Martin, 2015-10-22 Who is God What must we come to know in order to know God What is the kingdom of Heaven What sums up God s law that all the prophets spoke to What is the source of the universe and all that exists What binds us to God and to one another Why did He come into our world What gives us eternal life What is the great beginning and the ultimate end Is there something truly universal that we can come to know answering all of these questions Love and Spirit says there is presenting one word that could explain everything It lives in the hearts of all people waiting to be discovered nurtured and understood love **Our Lord's Beacon** William T. Atkinson, 2012-11-30 Then the Laity will become more noble in character as were the Bereans and with maturity combine their faith with the Word allowing them to recognize when the leaders teach in ignorance of the Word acts 17 11 Heb 4 2 Our Lords Beacon The Elementary Teachings of Christ Jesus digs into the fundamental teachings of the doctrine of Christ Jesus Many writings about the basics of Christianity have been published but without full knowledge of these six elementary truths while using the meat of Gods Word full maturity un a Christians life will never be attained If we as Christians are stuck in the milk in Gods eyes we are still yet infants since we are not yet acquainted with the teachings of the righteous Furthermore solid food is for the mature who by constant use have trained themselves to distinguish good from evil One cannot use digest solid food until one can fully digest the milk and only if God permits it Heb 5 13 14 Is todays church truly mature Can todays church possibly be

conducting itself and understanding good and evil as an infant using only the milk of Gods Word Is the world influencing the church more than the church is influencing the world Can everything in todays church be traced back to The Elementary Teachings of Christ Jesus

**Tithes and Offerings** G. Davis Dean, Jr.,2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today

Catastrophe Theology Francis Kai,2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor Although he had been a Catholic from ten years old Francis did not know to receive grace from God in deep suffering when his wife Martha was diagnosed with brain cancer During his search for spiritual help Francis discovered Martin Luther was the first theologian to preach suffering Luthers doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone Grace is the free gift of God to mankind A Christian must learn the way to receive grace through his faith in Christ Francis learned to receive grace by learning Luthers teaching Submit totally to God He was transformed from living his church life to Christian life God calls us to bear great fruit for his glory in this suffering world Francis learned the verse of John 14 12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering A church that does not preach suffering is not Gods church Francis learned to be a godly man from living a life in doctrine

*Look What's Missing!* David W. Daniels,2011 Publishers are removing things from new Bibles Publishers of modern Bible versions have been removing words phrases and even whole verses but their readers are often unaware of it Few people know the Bible well enough to notice when something has been taken out But the results are hard to believe The removal of one tiny word turns Jesus into a liar Callers into Christian talk shows have even used this to say that it s okay for a Christian to lie After all they say Jesus did it A verse that s completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines found in every evangelical church When David Daniels shows this one to people they just stand with their mouths open and say I can t believe it In another case Jesus own words are removed taking out a famous phrase in which Jesus explains why He came to earth People react with They took out

Jesus words How can they do that This information has been right under our noses for years but no one has ever taken the time to cull through this many Bible versions and find the missing parts Author David Daniels did the research and now releases his results for the Christian world to see what is really missing How about your Bible Is it on the list of Bibles with pieces taken out You might be surprised when you look at what s missing **Words about the Word** John R. Kohlenberger,1987 **Finding Beauty In a Darkened World** Bonita Jean Zimmer,2026-01-29 In Finding Beauty in a Darkened World a grandmother reflects on a single question from her young grandsons Tell us about God Her response unfolds into a deeply personal narrative shaped by faith family and nature Through Christian devotionals rooted in scripture she shares a journey marked by both joy and heartache Each chapter centers on the quest for timeless beauty blending gardening metaphors with biblical parables These reflections reveal how spiritual beauty often appears in unexpected ways But this book is not only about poetic insight it is also a call to act with purpose The Bible prophesied that a great many will fall away from the faith The author warns that regret can arrive uninvited with its familiar whispers If only I had spoken if only I had encouraged if only I had made the effort if only I had stood up for what I believed This book encourages readers to nurture biblical literacy speak truth in love and influence the spiritual path of those they cherish Together they will find beauty by peeling back the layers of cultural misconceptions to reveal the fadeless beauty of Christ s original teachings The author implores the reader to heed the Bible s clarion call for the words it s too late are best left unrealized **Wisconsin Lutheran Quarterly** ,1999 **Charisma and Christian Life** ,1990 English Language Bible Translators William E.
