*Confessing God's Best* Zebedee,Linda King,2017-02-27 We all desire for our households and extended families to prosper and be in good health even as our souls prosper Even so we are aware of the tremendous pressure that families today are under Satan the adversary of the family and secular culture have waged an all out offensive against marriages and families leaving households depleted or desolate Yet Gods Word is saturated with promises of blessings and protection for families who will dare to honor his Word by hearing it and hiding it in their hearts and observing fulfilling and performing his will in their daily lives The best way to accomplish his will is for families to train themselves to think speak and confess the Word of God as found in the holy scriptures As believers we should learn to incorporate Gods Word into every aspect of our lives especially regarding the words we speak This is because the Bible is not just a collection of words for life it contains the very words of life By reading this little book you too can learn how to proclaim and pray Gods Word over your family and speak life to your household

Braddock,2022-08-01 I was diagnosed with multiple myeloma an incurable blood disease in February 2019 I looked up God's healing scriptures in the Bible and confessed them daily and my disease began to disappear After a few months of speaking these healing promises out loud the disease was no longer present in my blood The teaching in this book is God's method of healing It is not the only method but the Christian's reading this method must develop faith in the healing scripture When one speaks the healing scriptures out loud a certain amount of faith comes to you Keep speaking out loud faith keeps coming Then you believe healing is the results Thousands of Christians believers are going to be healed if you can believe God's Word So then Faith comes by hearing and hearing by the word of God Romans 10 17 NKJV
