Bridge Acrob The Century:

The Ordinary Acrobat Duncan Wall,2013 The extraordinary story of a young man s plunge into the unique and wonderful world of the circus taking readers deep into circus history and its renaissance as a contemporary art form and behind the tented walls of France s most prestigious circus school When Duncan Wall visited his first nouveau cirque as a college student in Paris everything about it the monochromatic costumes the acrobat singing Simon and Garfunkel the juggler reciting Proust was captivating Soon he was waiting outside stage doors eagerly chatting with the stars and attending circuses two or three nights a week So great was his enthusiasm that a year later he applied on a whim to the training program at the cole Nationale des Arts du Cirque and was to his surprise accepted Sometimes scary and often funny The Ordinary Acrobat follows the occasionally literal collision of one American novice and a host of gifted international students in a rigorous regimen of tumbling trapeze juggling and clowning Along the way Wall introduces readers to all the ambition beauty and thrills of the circus s long history from hardscrabble beginnings to Gilded Age treasures and from twentieth century artistic and economic struggles to its brilliant reemergence in the form of contemporary circus most prominently through Cirque du Soleil Readers meet figures past the father of the circus Philip Astley the larger than life P T Barnum and present as Wall seeks lessons from innovative masters including juggler J r me Thomas and clown Andr Riot Sarcey As Wall learns not everyone is destined to run away with the circus but the institution fascinates just the same Brimming with surprises outsized personalities and plenty of charm The Ordinary Acrobat delivers all the excitement and pleasure of the circus ring itself

Acrobat Nabaneeta Dev Sen,2021-05-11 A deeply humane new collection by a luminary of Bengali literature A radiant collection of poetry about womanhood intimacy and the body politic that together evokes the arc of an ordinary life Nabaneeta Dev Sen s rhythmic lines explore the joys and agonies of first love childbirth and decay with a restless tactile imagination both picking apart and celebrating the rituals that make us human When she warns know that blood can be easily drawn by lips her words tune to the fierce and biting depths of language to the treachery that lingers on tongue tips At once compassionate and unsparing conversational and symphonic these poems tell of a rope shivering beneath an acrobat s nimble feet or of a twisted blood soaked umbilical cord they pluck the invisible threads that bind us together
