Alan E. Nelson

Creating Messages That Connect 10 Secrets Of Effective Communicators:

Creating Messages that Connect Alan E. Nelson, 2004 You're in front of a crowd. The challenge: To move beyond your audience's uninterested faces and lead them toward life change. How do you really know who's out there? What do they need? And how do you reach them in the most effective way? *Creating Messages That Connect* gives you 10 timeless communication principles to develop the skills you need to craft great messages. Captivate and persuade people in powerful ways without watering down the Gospel. Alan Nelson, pastor of a dynamic growing church, shows you how to write and market messages that make audiences respond. And here's a secret: You may not need to be a better speaker; you may just need to know your audience better. Book jacket

Planting Missional Churches Ed Stetzer, 2006-05-01 *Planting Missional Churches* is an instruction book for planting biblically faithful and culturally relevant churches. It addresses the how-to and why issues of church planting by providing practical guidance through all the phases of a church plant while taking a missional look at existing and emerging cultures. Principles of Business & Management Oliver Laasch, 2024-03-07 In light of seismic global events including the COVID-19 pandemic, the Black Lives Matter movement, the war in Ukraine, and extreme weather incidents propelled by climate change, there has never been a more important time to learn about management in ways that not only benefit business but also help confront the world's challenges, support people and planet, and contribute to peace and prosperity for all. Fully revised and once again endorsed by the UN's Principles for Responsible Management Education (PRME) initiative, this popular textbook equips you with the skills to become a responsibly, ethically, and sustainably minded business professional. Featuring two brand new chapters on Behaving and Digitalizing, over 50 new and updated case studies, pioneer interviews, and practitioner profiles, as well as a wide range of exercises and worksheets, the book also integrates the UN's Sustainable Development Goals (SDGs) to help promote sustainable development as essential to business and management today. This essential textbook can be used for a wide range of courses from introductory business management to responsible sustainable management, business ethics, business and society, and corporate social responsibility (CSR). Oliver Laasch is a Chaired Professor of Responsible Management at ESCP Business School and an Adjunct Professor of Social Entrepreneurship at the University of Manchester. Book jacket
