

PLANTS

TOLERANT PLANTS

Finding a plant to suit every situation in your house might sound impossible, so few of us have the perfect environment. If we have a few failures we tend to become discouraged. However, there are dozens of plants which are happy in extreme conditions from hot and dark and humid and there are many easy plants which are not in the least bit fussy about where they live. Sort out your problem areas and you will find there are plants which will make most of them.

A low-cost variety stand, good over this group of houseplants, containing something ideally suited for almost every spot in a house.
