Breaking Bounds

Betsy Erkkila, Jay Grossman

Breaking Bounds:

Breaking Bounds Betsy Erkkila, Jay Grossman, 1996-02-15 Breaking Bounds invigorates the study of Whitman and American culture by presenting essays that demonstrate Whitman's centrality to the widest range of social political literary sexual and cultural discourses of his time and ours Bringing together a distinguished group of cultural critics working in the fields of literature American studies Latin American studies European studies art history and gay lesbian queer studies the volume persistently opens new vistas in the ways we see Whitman and provides a model for the newest and brightest intellectual efforts associated with cultural studies Central to the volume is a set of provocative essays in queer studies that break the bounds of decorum that have too long separated Whitman's sexuality from his politics and his poetry from both The Whitman that emerges from these collected essays is renewed for a new generation of literary scholars working to define the places and the functions of his poetic words in the world Taken as a whole the volume points to the interdisciplinary future of American literary and cultural studies Breaking Bounds is essential reading for anyone interested in Whitman both inside and outside the academy

Breaking Boundaries Agnes Horvath, Bjørn Thomassen (Associate professor), Harald Wydra, 2015-05 Liminality has the potential to be a leading paradigm for understanding transformation in a globalizing world As a fundamental human experience liminality transmits cultural practices codes rituals and meanings in situations that fall between defined structures and have uncertain outcomes Based on case studies of some of the most important crises in history society and politics this volume explores the methodological range and applicability of the concept to a variety of concrete social and political problems
