

## Creating Characters

# Your 3 Steps

Building your characters is a layered process. But you'll need to start somewhere. We've broken down your character creation into three steps. Come back to these questions and tasks regularly to check you still know who your character is.

# 1

### **Character Checklist**

The foundations of your character need to be solid. This checklist will help you to see if you've got the bases covered. Remember, spending time getting inside your character's head, is never time wasted.

# 2

### **Character Questionnaire**

To create characters readers love and care about we need to develop them as fully formed beings. This means they need a backstory, a personality, a physical description. This questionnaire will ensure you've got everything ticked off.

# 3

### **Character Writing Prompts**

The best way to add depth to your character is through writing prompts. This will help you develop layers, and it will give you the tools you need to flesh your character out. Take some time to reflect on these prompts.
