**Globalization and Uncertainty in Latin America** D. Johnson, F. López-Alves, 2007-02-19 This balanced and innovative collection uses different methodologies to approach the common theme of a region transformed in recent years by neoliberalism Most of the contributors suggest that Latin America is experiencing rapid and unexpected change its future looks much different than ever predicted with high levels of uncertainty resulting in counterintuitive and at times innovative political outcomes *The ISA Handbook in Contemporary Sociology* Ann Denis, Devorah Kalekin-Fishman, 2009-07-01 This International Sociological Association Handbook presents and tracks the transformation of the societies and social relations that characterize the twenty first century The volume is organized around a conceptualization of three processes that are fundamental to the analyses of micro meso and macro social relations Conflict Competition and Cooperation Case studies discuss and contextualize debates within an international overview of relevant literature incorporating material about North America Latin America Europe Africa and Asia *Political Struggles and the Forging of Autonomous Government Agencies* Cristopher Ballinas Valdés, 2011-06-30 Argues that autonomous agencies are not the result of a systematic design but are produced by the interactions of political and bureaucratic forces The case studies illustrate how political struggles between politicians and bureaucrats can create a muddle of agencies that lack coherence and are subject to conflicting levels of political control **Social Changes in a Global World** Ulrike Schuerkens, 2017-05-01 Renowned author Ulrike Schuerkens presents an in depth exploration of social transformations and developments Combining an international approach with up to date research the book Has dedicated chapters on contemporary topics including technology new media war and terror political culture and inequality Includes an analysis of societal structures inequality globalization transnationalism Contains learning features including discussion questions annotated further reading chapter summaries and pointers to online resources to assist with study A must buy for students taking modules in social change social inequality social theory and globalization *Journal of Ethiopian law* ,2009 *Competition Policy, Domestic and International* Frederic M. Scherer, 2000 This work collects 26 of the author s most important papers on an array of competition policy issues Among other subjects the papers address the historical antecedents and rationale of competition policy the logic of market definition and the role of competition policy in an open world economy [The Role of the State in Competition and Intellectual Property Policy in Latin America](#) Beatriz Boza, 2000 **Washington Contentious** Nancy Birdsall, Augusto de la Torre, Rachel Menezes, 2001 [Macroeconomic Stabilization in Latin America](#) Sebastian Edwards, 1994 This paper reviews the experience of Latin American countries with structural reforms and discusses the relationship between macroeconomic stabilization and trade liberalization programs undertaken in the region since the early 1980s The problem of sequencing of stabilization and structural reforms is analyzed with detail First from a theoretical perspective second reviewing the stabilization programs implemented in Latin America on a case by case basis Particular emphasis is given to the analysis of

the fiscal consequences of the chosen sequencing as well as its impact on the evolution of domestic savings and investment and on foreign investment The final part of the paper concentrates on the behavior of real exchange rates during the stabilization programs and its relationship with trade reforms CEPAL Review United Nations. Economic Commission for Latin America,1999 **Competition Policy, Deregulation, and Modernization in Latin America** Moisés Nairn,Joseph S. Tulchin,1999 Economic reforms in Latin America over the past two decades focused first on economic stabilization later on liberalization and deregulation and only recently on creating or in some cases recreating the legal regulatory and statutory institutions complementary to modern global capitalism This book addresses a central element of the newest round of reforms the restriction of anticompetitive practices Providing one of the first studies to explore the topic the authors trace the development of competition policy in Latin America where that policy stands today and how it may be reconceptualized and deployed as a tool for consolidating the region s economic future **Journal of Economic Literature** ,1996 **PAIS International in Print** Catherine Korvin,2003-05 This book contains bibliographic references with abstracts and subject headings to public and social policy literature and to world politics published in print and electronic formats international focus **G.K.
