

A photograph of a mechanical engine compartment, likely from a vehicle. The image is filled with various mechanical parts, hoses, and wires. A large, bold, green text overlay is centered on the image, reading "DT466E MAP SENSOR!". The text is slightly transparent, allowing the underlying mechanical details to be visible. The background shows a complex arrangement of metal components, including what appears to be a manifold or sensor housing in the upper left, and various hoses and belts throughout the engine bay.
