

“

Do not be afraid to color outside the lines. Take risks and do not be afraid to fail. Know that when the world knocks you down, the best revenge is to get up and continue forging ahead. Do not be afraid to be different or to stand up for what's right. Never quiet your voice to make someone else feel comfortable. No one remembers the person that fits in. It's the one who stands out that people will not be able to forget.
