

enough

You have what it takes. You are strong enough. You are brave enough. You are capable enough. You are worthy enough. It's time to stop thinking otherwise and start believing in yourself because no one else has the dreams that you have. No one else sees the world exactly like you do, and no one else holds the same magic inside. It's time to start believing in the power of your dreams, my beautiful friend. Not next year, not next month, not tomorrow, but *now*. You are ready. You are enough.
