Becoming a Friend of God Rick Clendenen, 2013-11-05 As you read this book you are going to discover that Abraham was

not perfect Nor were the decisions he made but God never let go of his hand until he achieved the destiny He had planned for his life There is much to learn from his journey that will enable us to be known as a friend of God But our journey must begin with the understanding that God has already initiated this friendship with us It is now our responsibility to pursue Him until side by side we walk together into our destiny Like Abraham God is calling us to become His faithful friend May we too answer Yes and let the journey begin Rick s book is interesting informative and inspirational I highly recommend it to all who would like to become a friend to God Dr J T Parish Founding Pastor Christian Fellowship Church If I were going to witness to a person of other religions I would want to have Becoming a Friend of God with me Alan Bray Business Leader and Teacher Rick s fresh insight on the life of Abraham will inspire your faith deepen your understand and equip you to become a friend of God Tina R Nelson Intercessor Your faith will be strengthened as you follow God s work in Abraham s life Rev Dale Yerton International Missionary Apostle and Teacher [Friendship with Christ](#) John A. Vissers,2026-04-21 Do the same characteristics of human friendship apply to friendship with Christ Friendships have the capacity to elevate our lives and make us better people they play an important role in our moral development spiritual growth and personal flourishing If this is true of human friends is it also true of friendship with God in Christ Can friendship with Christ mean the same thing for us today as it did for Christians throughout history John Vissers explores these questions and more to offer a robust biblical historical and theological study of friendship with Christ Rooted in John 15 this book draws on the threefold office of Christ as prophet priest and king to develop a theology of divine friendship against the backdrop of the biblical record and historical tradition Friendship with Christ Vissers argues is a theological framework that continues to provide consolation and hope for a secular age and suffering world With a foreword by Hans Boersma this book shows that friendship with Christ has been central to the experience of the providential love of God throughout church history and why it matters today [The American Friend](#) ,1900 [Friendship with God \(eBook\)](#) Trevor Hudson,2015-05-01 Are you open to re imagining your relationship with God as a friendship Do you want to be transformed into the person God wants you to be Friendship with God transforms us As we learn to trust God as our Divine Friend it has a transforming effect on our whole lives It affects how we pray our relationships with each other and the way we understand our everyday lives It changes the way we think and feel what we desire and long for the way we see each other and how we seek to live our lives in the world We could say our friendship with God creates the climate in which you and I become the people God wants us to be In his latest book Friendship with God Trevor Hudson digs into these two interwoven themes of friendship and personal transformation He explains that friendship is a helpful analogy for the intimate kind of relationship God wants with us Put very simply the gospel invites you and me into friendship with God When we become friends with Jesus we are drawn into God s greater dream for the world This indeed is the purpose of our lives on earth We are created to become friends of God and to partner with God in making his dream a greater reality in the world around us Topics that are addressed include Living Beyond Loneliness God
