

# Belchers Luck

**Pierce Egan**

## **Belchers Luck:**

**Belcher's Luck; [play]** David Mercer,1967     Jonathan Belcher Michael C. Batinski,2021-12-14 As early as the eighteenth century New England s ministers were decrying public morality Evangelical leaders such as Jonathan Edwards called for rulers to become spiritual as well as political leaders who would renew the people s covenant with God The prosperous merchant Jonathan Belcher 1682 1757 self consciously strove to become such a leader an American Nehemiah As governor of three royal colonies and early patron of the College of New Jersey later Princeton University Belcher became an important but controversial figure in colonial America In this first biography of the colonial governor Michael C Batinski depicts a man unusually riddled with contradictions While governor of Massachusetts Belcher deftly maneuvered longstanding rivals toward a political settlement yet as chief executive of New Hampshire he plunged into bitter factional disputes that destroyed his administration The quintessential Puritan Belcher learned to thrive in London s cosmopolitan world and in the whiggish realm of the marketplace He was at once the courtier and the country patriot An insightful blend of social and political history this biography demands that Belcher be recognized as the embodiment of the Nehemiah perhaps as important in his own realm as Cotton Mather was in religious circles Grappling with the contradictions of Belcher s actions the author explains much about the complexities of the world in which Belcher lived and wielded influence
