Believing Understanding The Creed:

The Creed Luke Timothy Johnson, 2007-12-18 This thoughtful fully accessible exploration of the creed the list of beliefs central to the Christian faith delves into its origins and illuminates the contemporary significance of why it still matters During services in Christian communities the members of the congregation stand together to recite the creed professing in unison the beliefs they share For most Christians the creed functions as a sort of ABC of what it means to be a Christian and to be part of a worldwide movement Few people however know the source of this litany of beliefs a topic that is further confused by the fact that there are two different versions the Apostle s Creed and the Nicene Creed In The Creed Luke Timothy Johnson a New Testament scholar and Catholic theologian clarifies the history of the creed discussing its evolution from the first decades of the Christian Church to the present day By connecting the deep theological conflicts of the early Church with the conflicts and questions facing Christians today Johnson shows that faith is a dynamic process not based on a static set of rules Written in a clear graceful style and appropriate for Christians of all denominations The Creed is destined to become a classic of modern writings on spirituality

I Believe Edward Goble, 2019-11-13 A Creed is a system doctrine or formula of religious belief Since ours was not a church going family in the early years Jesus Loves Me was the closest thing I had to an authoritative formulated statement of belief Through my mothers love this creed if you will led me to believe A creed based on God s eternal truth is a foundation upon which your life both spiritually and physically can be built and upon which you can stand without fear Early in church history the creative clever minds of well intentioned people began to develop theories and doctrines about Jesus and the Trinity of Father Son and Holy Spirit that were contrary to what they had always believed The core truths of the faith that were passed along by the apostles and faithful teachers began to be challenged and questioned By the 4th century something had to be done to reel everyone back in to remind everyone and cast in stone so to speak the core message of the Christian faith A council was called of all the Bishops of the church to be held in Nicea a city in what is now Turkey They gathered in the year 325 and hammered out the main part of the creed Then in 381 they gathered again and completed it This small guide reviews the scriptural foundation of the Creed

Donald Cole,1998-05-01 What do you believe With the vast array of religions and beliefs that have surfaced in the world today how can Christians be sure of what we believe And how can we know that what we believe about our God truly meets the biblical standard What do we need to believe From his vast knowledge of the Scriptures and his experience as a missionary Pastor Donald Cole shares the simple yet profound truths of the gospel through the Apostles Creed He touches on every facet of the Creed referencing the biblical texts that support them While there are some things about God and His ways that shall remain veiled until we reach heaven the Bible is very clear about many things including the person and work of Jesus Christ Learn All You Need to Believe from the Apostles Creed through the excellent teaching of pastor Donald Cole *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease The Nicene and Apostles' Creeds Charles Anthony Swainson,1875 A catechism for the right understanding of the sacrifice and liturgy of the mass, compiled from a work by J. Laidlaw,1875 **I Believe in God the Father** John Faville,1919 *The creeds, 4 addresses* Thomas Herbert Bindley,1896 **Christian Belief and Practice** Gordon Geddes,Jane Griffiths,2002 Christian belief and practice GCSE Religious studies for AQA *A World of Difference (Reasons to Believe)* Kenneth Richard Samples,2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism

Samples tackles tough issues through this in depth study of Christianity s history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense *Commentaries Upon the Apostles' Creed*
