and some of his operas Schroeder probes the many other genres in which Tchaikovsky worked from his chamber music pieces and symphonies to his other orchestral works and concertos Throughout Schroeder draws connections among the works painting a fuller more coherent picture of Tchaikovsky through his thematic interests musical techniques sonic signatures and literary and cultural focuses For context Schroeder describes the works of personal significance for the composer through such contemporary literature as Tchaikovsky's letters to Nadezhda von Meck the wealthy patroness whom he never met Experiencing Tchaikovsky A Listener's Companion is for anyone who left a ballet performance whistling themes from Swan Lake or humming melodies from The Nutcracker It is the ideal work for concertgoers music students opera buffs ballet enthusiasts and anyone who appreciates this musical master

A Modern Poetics of Biography Zhengrun Yang, 2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of auto biography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in biography in addition to related disciplines in particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research

Listening to the Sirens Judith Peraino, 2005-10-30 In this fresh and innovative study Judith A Peraino investigates how music has been used throughout history to call into question norms of gender and sexuality Beginning with a close examination of the mythology surrounding the sirens whose music seduced Ulysses into a state of mind in which he would gladly sacrifice everything for the illicit pleasures promised in their song Peraino goes on to consider the musical creatures musical gods and demigods musical humans and music addled listeners who have been associated with behavior that breaches social conventions She deftly employs a sophisticated reading of Foucault as an organizational principle as well as a philosophical focus to survey seductive and transgressive queerness in music from the Greeks through the Middle Ages and to the contemporary period Listening to the Sirens analyzes the musical ways in which queer individuals express and discipline their desire represent themselves build communities and subvert heterosexual expectations It covers a wide range of music including medieval songs works by Handel Tchaikovsky and Britten women's music and disco performers such as Judy Garland Melissa Etheridge Madonna and Marilyn Manson and the movies The Rocky Horror Picture Show and Hedwig and the Angry Inch
