Forgetful Remembrance Guy Beiner, 2018-11-09 Forgetful Remembrance examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798 By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing Throughout Forgetful Remembrance comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion

The Fair Rebel Emerson Bennett, 1855 **Beloved Rebel, Etc** Susan Marsh, 1956 **The Living Age**, 1916 **Sanctified Trial** Eliza Rhea Anderson Fain, 2004 This diary is distinctive for its account of increasing clashes with Unionist bushwhackers and for its graphic description of the atrocities on both sides The Civil War surged around Rogersville near the Fain farm with alternating occupation by both North and South When her farm was looted in 1865 Fain attempted to defend her family and home from depredations by both Yankee troops and guerrillas The entries from the period of Reconstruction reveal Fain's concerns about perceived threats from poor whites and freed slaves Overall however this busy mother focuses throughout on the private life of her family and her writings tell us much about the challenges of everyday life almost a century and a half ago

Jacket **History of the Irish Rebellion in 1798** William Hamilton Maxwell, 1881 **The Return of Gabriel** Richard V. Shriver, 2005-11-03 This collection of letters is a continuation of my earlier collection The Gabriel Letters I stumbled on the idea of writing imagined letters from an archangel advising a young guardian while reading an introduction to C S Lewis Screwtape Letters It has been a marvelous way perhaps delusional of standing back and imagining that I can see the world through angel eyes The amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to apply to all things the idea of God's complete love self-sacrificing eternal parent-like love This idea is the center of Christianity It is Jesus' message and it is St Paul's good news If we desire to be Christian we should begin it seems to me by attempting to apply Jesus' teachings to all things to our behavior to our human relationships especially family to our work and our business dealings to the way we run our churches and to the way we study the scriptures If we take

Jesus seriously we must reevaluate much of the Bible the parts which are not specifically the teachings of Jesus Jesus Himself questioned much of the scriptures These letters cover a variety of subjects many of them Biblical Some Biblical passages need correction in light of Jesus ideas Some Biblical passages are so marvelous that we need to lift them to the sky and shout Look at this Some Biblical passages are confusing and we need to wrestle with them But in all we should be trying to see them through Jesus eyes To see through Jesus eyes is I suspect what the true Gabriel wants and it is the intent of this book
