Beneath Valkyries Wing:

A Shift in Wings: A Valkyrie Fantasy Romance Maddox Grey,2024-01-02 The romance burns fast and hot in this story full of valkyries and fae by romantasy author Maddox Grey War Betrayal Exile I sacrificed everything to end a war that was tearing my home apart My reward Being seen as an abomination in the eyes of the people I d fought so hard to save After centuries of isolation I find myself thrust back into the chaos of life because my friends need me and I won t let them down Another war is brewing and this one has the potential to destroy all the realms But my past isn t ready to let me go just yet As I hunt for answers about what the exiled king is plotting in a foreign realm two complications arise One an ancient enemy who wants a piece of soul And the other Niall A fae warrior with a jaded past and dark secrets that rival my own To accomplish my task I m forced to ally with him But a fae bargain is never simple And I can t help but fear that fate is once again leading me to ruin A Shift in Wings is the fifth story of the Lost Legacies fantasy romance series For fans of LJ Andrews Raven Kennedy or Amber V Nicole this is a fast burning love story full of action and second chances between two immortal warriors Things are going to get a little steamy

North American XB-70 Valkyrie Peter E. Davies,2018-03-09 Of the many futuristic military aircraft concepts created in the 1950s the North American XB 70 still stands out as the most awe inspiring With its huge white partially folding delta wing its fuselage resembling a striking cobra and its extraordinary performance it was one of the foremost technological achievements of the 20th Century A strategic bomber built to outrun any Soviet fighter jet it could reach Mach 3 with a full nuclear payload as fast as the legendary SR 71 Blackbird but more than three times the size However its role as a nuclear bomber was limited after the introduction of Intercontinental Ballistic Missiles and defence cuts eventually led to the project being scrapped in the mid 1960s The Valkyrie had a brief costly decade of life but it proved the continuing value of developing manned bombers However almost half a century after the XB 70 its predecessor the B 52 continues in service Using full colour artwork and rigorous analysis this is the complete story of the ultimate US Cold War military X plane

Maxey,2024-05-13 The apocalypse is now The sylvan planet Emeralla has been devoured by the Waste Wyrms a cosmic dragon that feasts upon worlds When Zeeky and her allies flee Emeralla back to Earth they are pursued by the Waste Wyrms servant the Kraken The Kraken raises an army of the dead to open the interdimensional gate that will give the cosmic predator access to Earth Can humans and dragons put aside their ancient hatreds to unite against their common foe

Dragonsgate Angels is the thrilling conclusion to the Dragonsgate trilogy In this saga dragons and humans are at war in the ruins of post apocalyptic America In the ruins of Oak Ridge Tennessee a malfunctioning machine hidden in a government laboratory has ripped a hole in reality and now dinosaurs are appearing in the surrounding wilderness When a band of adventurers led by the famed dragon slayer Bitterwood sets out to destroy the malfunctioning machine some of them are swept away to a parallel earth where humans have never evolved On this world magic is real due the presence of a cosmic

dragon named Emeralla Unfortunately cosmic dragons are the favorite meal of an even larger cosmic dragon the planet devouring Waste Wyrms Now Bitterwood must battle devils spirits and angels across a series of parallel worlds if he hopes to save his own reality from the interstellar predator This series freely blends science fiction epic fantasy and eldritch horror for an adventure unlike any other It also draws in characters from James Maxey's previous sagas Bitterwood and Dragon Apocalypse though the series can be read without having previously read those works
