Benetton Formula 1 Racing Team:

Benetton Alan Henry, 1998 A behind the scenes look at the Benetton Formula 1 racing team As the 1998 season unfolds all eyes will be on Benetton curious to see how its new boss David Richards will run the team after the departure of the flamboyant Flavio Briatore and perhaps even more significantly whether Benetton s novice driver partnership of Giancarlo Fisichella and Alexander Wurz is more successful than the highly experienced former Ferrari pairing of Gerhard Berger and Jean Alesi It also shows how the Italian based family fashion empire uses Formula 1 as a marketing tool [Benetton Formula 1](#) Pino Allievi, 2006 Benetton s story is a rather anomalous one It arises from the dream of an industrialist who has never made cars but instead pullovers to race his cars in the Formula 1 It was a dream that became a reality in an extraordinarily effective manner It was a phenomenon a unique and probably unrepeatable event that overturned the parameters of the world of Grand Prix Today Luciano Benetton can look back with pride and mull over how good his team was during those 19 years on the track first as sponsor and then as constructor He can remember the figures who took part in the adventure and recall the major events in each season and the numerous drivers the best being Michael Schumacher who was unknown when first hired Benetton as an adventurer in a field not his own and Formula 1 as the backdrop to a thousand episodes that cannot be overlooked this is the basis for the story that unfolds for the protagonists of this book which covers a busy in some ways raging epoch Men can now allow themselves the luxury of telling the story sometimes even contradicting each other of what happened between 1983 and 2001 with their own behind the scenes anecdotes technical details secrets and emotions
