Ben Bishop Benjamin Bishop,1980 **History of the Town of Warsaw, New York, from Its First Settlement to the Present Time** Andrew White Young,1869 **Manhood Enslaved** Kenneth Edward Marshall,2011 **Manhood Enslaved** reconstructs the lives of three male captives to bring greater intellectual and historical clarity to the muted lives of enslaved peoples in eighteenth and early nineteenth century central New Jersey where blacks were held in bondage for nearly two centuries The book contributes to an evolving body of historical scholarship arguing that the lives of bondpeople in America were shaped not only by the powerful forces of racial oppression but also by their own notions of gender The book uses previously understudied white authored nineteenth century literature about central New Jersey slaves as a point of departure Reading beyond the racist assumptions of the authors it contends that the precarious day to day existence of the three protagonists Yombo Melick Dick Melick and Quamino Buccau Smock provides revealing evidence about the various elements of slave manhood that gave real meaning to their oppressed lives Kenneth E Marshall is Assistant Professor of History at the State University of New York at Oswego
