

ALAN FREEMAN

THE BENN HERESY

Benn Heresy

Jeffrey L. Jowell, Dawn Oliver

Benn Heresy:

The Benn Heresy Alan Freeman, 2014-09-20 This new edition of the classic biography of Tony Benn captures the essence of Benn's formidable impact on the British Labour Party and British politics. Written at the apogee of his career immediately after the Labour Party's 1981 Deputy Leadership campaign under Harold Wilson, it charts the evolution of Benn's ideas and the underlying reasons both for their resonance with the British public and their root and branch rejection by the British political elite. The rise and persistent attraction of both Benn and Bennism is set against the background of a British industrial decline imposed by the obstinate craving of the political classes of both right and left for a fading imperial glory. Alan Freeman shows how Benn set out to reverse both by means of a radical democratic transformation of British society, exploding the Blairite myth of Benn as an inconsequential, amiable and unelectable eccentric. Benn emerges as a figure of towering insight and political courage, combining the commitment to equality and social values which defined the postwar Labour left. The result is a vision as relevant to Britain today as it was thirty years ago. This new edition includes the interview with Benn conducted just after the 1981 Leadership election, a substantive new chapter by the author and a foreword by Owen Jones, the author of *Chavs: The Demonization of the Working Class and The Establishment And How They Get Away With It*.

Benn Heresy Alan Freeman, 2014 **The Benn Heresy** Alan Freeman, 1982 *The Fall and Rise of the British Left* Andrew Murray, 2019-09-17 The remarkable advance of Corbynism did not emerge from nowhere. It is the product of developments in socialist and working class politics over the past forty years and more. The Thatcher era witnessed a wholesale attack on the post-war consensus and welfare state through a regime of deregulation, attacks on the unions, privatisations and globalisation. However, at the same time, there has been a persistent resistance to the growing powers of neo-liberalism, yet this side of the story is rarely told as it was considered to be a history of defeat. Yet out of this struggle emerged a thoroughly modern socialism. This book is essential reading for those who want to know where Corbynism comes from: the policies, personalities and moments of resistance that have produced this new horizon. This includes the story of power struggles within the Labour Party and the eventual defeat of New Labour. The movements outside it: trade unions, feminists, groups, anti-fascists, activists, anti-war protestors that have driven the policies of the movement forward. And the powerful influence of international groups that have shaped the potential for a global progressive politics.

Pelagius Brinley Roderick Rees, 1998 First work originally published Woodbridge, Suffolk, Wolfeboro, NH, Boydell Press, 1988. 2nd work originally published Woodbridge, Suffolk, Rochester, NY, USA, Boydell Press, 1991. With new preface.

[Narratives of Delusion in the Political Practice of the Labour Left 1931-1945](#) Roger Spalding, 2018-04-18 This book sets out a challenging re-interpretation of the politics of Labour's left wing. It shows how the Left developed a range of simplistic, self-sustaining narratives rather than supported analyses to guide its actions in the aftermath of the political crisis of 1931. This approach, it is argued, persisted down to the opening years of the present century, its employment in part explaining the decline of the pre-

Corbyn Left The narratives developed by the Left reflected a belief in the existence of a working class waiting to be led in a radical direction The leading figures of the Left often had limited direct contact with working people but within their narratives the responses of their target audience were predictable and automatic The Left created an idealised working class that behaved as the Left wished In addition the book questions the popular view often enhanced by biographers of many of these Labour Left leaders

The End of Parliamentary Socialism Leo Panitch, Colin Leys, 2001-05-17 Argues against the assertion that there is no alternative to neo liberalism

Against Socialist Illusion - A Radical Argument David Selbourne, 1984-11-01

Crossbow, 1984

The Socialist Register John Saville, 1988

Labour Hilary Wainwright, 1987

The Changing Constitution Jeffrey L. Jowell, Dawn Oliver, 1989 Previous edition 1st published in 1985

Political Ideologies Robert Eccleshall, 1984 This informative and widely used text is now available in a third edition Building on the success of previous editions it continues to provide a clear and accessible introduction to the complexities of political ideologies The new edition of *Political Ideologies An Introduction* introduces and considers the future of all the most widely studied ideologies liberalism conservatism socialism democracy nationalism fascism ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments of ideologies and charts the challenges that they face in the 21st century has been fully revised and up dated and provides an annotated guide for further reading

The Rape of Socialism Donovan Pedelty, 1997

Postmodernity allows for no absolutes and no essence Yet theology is concerned with the absolute the essential How then does theology sit within postmodernity Is postmodern theology possible or is such a concept a contradiction in terms Should theology bother about postmodernism or just get on with its own thing Can it Theologians have responded in many different ways to the challenges posed by theories of postmodernity In this introductory guide to a complex area editor Kevin J Vanhoozer addresses the issue head on in a lively survey of what talk about God might mean in a postmodern age and vice versa The book then offers examples of different types of contemporary theology in relation to postmodernity while the second part examines the key Christian doctrines in postmodern perspective Leading theologians contribute to this clear and informative Companion which no student of theology should be without

The Gulf War and the New World Order Haim Bresheeth, 1991

Labour People Kenneth O. Morgan, 1992 The British Labour movement has always venerated the collective ideal solidarity mass endeavour the common good Yet paradoxically it draws constant inspiration from the ideas and achievements of key individuals it needs and reveres the charismatic figures of both past and present From Hardie to Bevan to Kinnock Benn and Scargill Labour's progress or decline has always been bound up with its major personalities and the concept of leadership

Marxism Today, 1984

The Contentious Alliance Lewis Minkin, 1991 Minkin regarded as Britain's foremost authority on Labour Party politics marshalls a great deal of new primary material to present a comprehensive assessment of one of the most significant yet stormy alliances in British political life Distributed by Columbia
