

A detailed illustration of a prehistoric scene. In the foreground, a man in a brown tunic is shown in profile, holding a spear and a stone tool. Behind him, a group of people are gathered around a large animal carcass, possibly a mammoth or bison, which is being processed. Some individuals are using tools to cut the meat, while others are holding up pieces. In the background, a vast, open landscape with rolling hills and a clear sky is visible. Several more people are scattered across the distance, some appearing to be dancing or celebrating. The overall style is that of a classic historical or educational illustration.
