Selling Used Books Online Stephen Windwalker, 2002 [Sell More Books](#) Webster Tsenase, 2018-11-14 Has your book sold less than 3000 copies If so then thank God you found this book because those sales are about to take off as a result of learning and applying what you will learn in this book There are 4 pillars which are integral to your book s success and they are 1 Marketing 2 Publicity 3 Distribution 4 Sales Those pillars when mastered will lead to steady book sales every year until you die or until you stop using the techniques laid within this book I first published my first book in 2011 and it didn t even sell a single copy then published my second one and it sold some copies but just not enough especially since I wrote that book for two years and worked very hard researching my topic and so forth It sucked so much because I knew that the content of my book was brilliant and that it was about something that was and still is a very serious topic Ever since then I have learned about how to really sell books directly and also digitally I have learned about how to reach the right people who will actually buy your book and not make comments about it I learned about how to handle my finances so that I can reinvest the money from book sales back into making more book sales I have learned so much after publishing 4 books of mine and selling over 10 000 copies that number sounds small and insignificant next to bigger ones but trust me it s not easy to sell that many books but I have figured out what worked and what works for me and I hope that it works for you too Are you ready to give your book the chance to really be successful Get my book it s a short read and it s also very practical by asking you to do certain things which will help you to understand the material more What more is there to say let s start selling more books *How to Buy and Sell (Just About) Everything* Jeff Wuorio, 2010-06-15 How to Buy Sell Just About Everything The Ultimate Buyer s Guide for Daily Life Don t make another purchase before you buy this ultimate buyer s guide With more than 550 how to solutions these pages are packed with savvy strategies for choosing and locating and unloading and liquidating both everyday items and once in a lifetime splurges with special emphasis on how to find bargains and broker great deals The clear and friendly information in How To Buy Sell Just About Everything makes any buying or selling decision easy from selecting baby gear to saving for college from hawking lemonade to selling your company Browse these pages to discover how to Buy a House Sell a Car Buy Happiness Sell Your Old Computer Buy Mutual Funds Hire a Butler Choose a Diamond Ring Purchase a Tent Get Breast Implants Negotiate a Better Credit Card Rate Buy a Hot Dog Stand Sell Your Baseball Collection Outfit a Nursery Book a Cheap Safari and much much more Written and designed in the same easy to use format as its predecesors How To Do Just About Everything and How to Fix Just About Everything this invaluable collection includes concise instructions helpful tips and comparison charts everything you need to understand product features prevent problems and guarantee smart purchasing decisions This is the only book you need to make the most of your money **I Never Pay Retail** Starr Phillips, 1985 **American Bookseller** , 1992 **The Publishers Weekly** , 1930 **101 Businesses You Can Start and Run with Less Than \$1,000** Harold S.
