

# BOARD QUESTION PAPER : MARCH 2017

Time: 3 Hours

Max. Marks: 80

## SECTION – I (Prose)

(Reading Skill, Vocabulary and Grammar)

- Q.1. (A) Read the following passage and do the activities: [10 marks]  
A1. True or False (2)

State whether the following statements are true or false:

- Gilson asked the writer to buy a tie of red colour with an initial 'G' on it.
- The writer could not buy the tie on Sunday because he had no time.
- The driver refused to wait as parking was prohibited.
- The writer promised to double the fare.

What Gilson asked me to buy was, in fact, a little thing : a tie. But not just any tie. He wanted a tie with a small embroidered G. Any colour would do, as long as it had his initial. Look, this is a special flight, I explained. We are only staying Saturday through Tuesday. On the day we arrived I didn't have time to think about the tie, but strolling around on Sunday, I did see ties bearing various letters in more than one shop window. They were cheap, just a dollar, but all the shops were closed.

**Frantic Search:** On Monday, lunch lasted the whole afternoon. Then it was Tuesday morning, time to leave. It was only when I saw our airport bus waiting outside the hotel that I remembered the tie.

I told the group to go on. I would get a taxi to the airport. And so I went in search of a nearby shop where I had seen ties.

But I couldn't find it. I walked further down the street—one, two, three blocks—all in vain. Back at the hotel, a bit anxious now, I took my suitcase, got a taxi and asked the driver to rush to the street where I had seen them.

The driver stopped at each shop we passed so I could look from the taxi window. The stores had all sorts of ties, but not the kind I was looking for.

When I finally thought I had located the right shop, I decided to go in and check. The driver refused to wait. Parking was prohibited, he said. I promised to double the fare, jumped out and ran into the shop. Was I going to miss the plane just for a damned tie?

- A2. Order (2)

Put the following sentences in proper order:

- On the very first day the writer had no time to buy a tie.
- The writer walked down on Sunday and saw shops with variety of ties.
- Gilson, the writer's friend wanted him to buy a tie.
- The writer left the place on Tuesday morning.

- A3. Matching: (2)

Match the following words with their meanings:

	'A'		'B'
(i)	strolling	(a)	done in a very urgent way
(ii)	anxious	(b)	to walk without hurrying
(iii)	prohibited	(c)	wanting something very much
(iv)	frantic	(d)	to stop something

- A4. Language study: Begin your sentence with ..... (2)

- I had located the right shop.  
(Rewrite the sentence beginning with 'The right shop.....')
- All the shops were closed.  
(Begin with 'None of the .....')
