Duff,2004-06-30 Highly readable and engaging this unique resource helps all educators fine tune their expectations for the teaching profession *I Want to Be a Teacher* Jajuan Clark,2017-02-25 Across the nation there is a shortage of teachers in education Education today seems

to be becoming more challenging There are more tasks and requirements that are being placed on teachers These challenges have caused a decline in students desiring to enter the field of education as well as teachers being motivated to stay in this field However given all the tasks and responsibilities of this field it is evident that being a teacher is still a rewarding career Education is more than teaching students the curriculum As a teacher you enter the field in which your job is truly a calling as you meet the needs of diverse students There is a hidden curriculum in education in which teachers must help instruct and guide the students in life skills as well There are diverse students who deal with various issues whose only support system is the teachers within the school These students desire and desperately need the impact of a great teacher As you read this book the desire to become an effective teacher will be awakened as you will see just how teachers can impact the lives of children Often the passion of teaching is overshadowed by the requirements of state standards However through reading this book these passions which were overshadowed will once again be restored into the educational system through you the motivated and inspired teacher This book will provide deep insight and encouragement for beginning teachers to enter this multi faceted educational system It will inform those who are thinking of becoming teachers just how important they are to students society and the world It will provide motivation for the teacher that is currently in the field If you find yourself asking is this job still for you after all these years this is the book for you Your passion and love for teaching will be restored After reading this work your last thought will be I Want To Be A Teacher

*How to Becoming a Professional Teacher?*  
Haytham Al Fiqi,2016-04-11 Not everybody goes into teaching by getting a degree right out of high school and making it a profession from there on out Many wonderful teachers take on the profession as a second career There are a lot of reasons it happens like that Perhaps you are unhappy in your current career but you keep doing a certain job because it pays the bills It is very easy in youth to just fall into a job niche because it happened to be a job you got Then after you developed a resume and got additional training you found it difficult to leave that job to pursue your passion Teaching is as much a calling as it is a profession As a profession its often a career that does not attract the best and the brightest to become teachers because the pay is low and the frustrations and demands are high So many people who may at heart be born teachers spend some of their adult life in other professions If this is your story you may be coming to a place in your life when that inner teacher is struggling to get out and get you into the career you of teaching young people full time
