Being Frank:

Being Frank Frank K Palmer, 2022-05-20 being frank is my second memoir Whereas my first contains motorcycle centric stories this one is a collection of other tales and philosophies that contribute to me being frank I've been blessed as I have loved my life my family my friends and my country Having been so fortunate I wanted to capture some of the countless ways in which those blessings have impacted my life And yet another of those blessings is that YOU have decided to take a peek into the world of being frank I hope that you enjoy my stories while tolerating my advice The purpose of this book is two fold I want to entertain you with tales from my childhood hopefully providing examples of how wonderful and simple life used to be in America Secondly with my deep love for my family I hope that my children my grandchildren and family lineage beyond might read this book so that they and perhaps even you might utilize some advice on how to maximize your own lives I can think of no better legacy or service than to prompt a joyful smile heartfelt tear or provide a helpful tip as you read my stories I know that the latter chapters of my book will elicit consternation from my liberal brothers and sisters so you all may choose to avoid those chapters If you decide to read those parts as well I thank you for your consideration and tolerance May we encourage open discourse even as we RESPECTFULLY disagree with each other Different perspectives and opinions are invaluable and should always be fostered We learn very little from listening to ourselves and others just like us We should always be prepared to welcome disparate views as they will either shore up our own or cause a spark of change within us
