normalize its relations with the Arab states while it continued to deny the national rights of the Palestinians The book challenges Israeli and Syrian official narratives and substantiates the Palestinian narrative as well as some Israeli new historians who asserted Israel refusal to recognize the national rights of the Palestinians and affirmed its attempts to reach a comprehensive settlement with the Arab states at the expense of the Palestinians The book includes Arabic and Hebrew sources translated into English for readers **The Israelis** Donna Rosenthal,2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere It is the story of ordinary people living in an extraordinary place **The Palestine Weekly** ,1929 *Indigenous Peoples* Victoria R.
